Ordered that the Government of India be requested to confirm the orders in the Public Department prescribing 6 per cent. on the capital cost of a building as its maximum monthly —.

PUBLIC WORKS DEPARTMENT.

LETTER—from

COLONEL J. SHAW-STEWART, R.E.,

Secretary to the Government of Madras,

Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to forward, for the confirmation of the Government of India, the accompanying copy of proceedings of Government in the Public Department, No. 1330, dated 18th June 1884, prescribing 6 per cent. on the capital cost of a building as the maximum charge for rent. Under existing rules * of the Government of India, no such limit has been laid down.

* Government of India Code, Volume I, Chapter XI, Section IV, paragraph 25.

The rental is required to be assessed at a figure that will cover interest at $4\frac{1}{2}$ per cent. in addition to a fair allowance for risks and repairs. This allowance will of course vary slightly according to the character of the building; but, in the opinion of His Excellency the Governor in Council, it is desirable that the maximum rental to be charged should be fixed by rule; and the allotment of $1\frac{1}{2}$ per cent. (equivalent to three months' rental), provided in the proceedings under reference, will, it is thought, amply cover all "risks and repairs."

2. The maximum monthly rents noted in the margin of the accompanying proceedings for the various grades of civil officers have been assumed as a guide to the Public Works Department, in framing estimates for the construction of buildings. They are not intended to affect the prescribed assessment of 6 per cent., which is to be paid as rent.

3. I am to request the early orders of the Government of India on these proposals, the circulation of which for the guidance of officers of the Public Works Department has been withheld pending a reply to the present communication.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

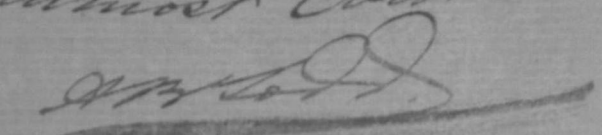

In submitting for fresh sanction the accompanying estimate of the probable amount required for the Temporary Establishment employed on the special work in Vayalpur, I have the honor to state that I have allowed 5 months from the 1st September next for completing the survey and estimates.

2. The delay in preparing the Calicut-Vayalpur Road estimate was due to the great difficulty experienced

experienced in obtaining the necessary establishment in the first instance and subsequent sickness and resignation of three of the staff. The surveying establishment is now complete and having had experience the work will doubtless proceed more rapidly than hitherto.

3. Under these circumstances I think that 5 months is a reasonable time to allow for the completion of the project, unless unforeseen difficulties and consequent delay should occur in the new trace on the Vayiti-Gudalur Road.

I have the honor to be,
Sir,
