PUBLIC WORKS DEPARTMENT.

General
Account.

READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, Madras, to the Secretary to Government, Public Works Department, dated Madras, 9th October 1883, No. 117 W. :—

I have the honor to submit, for information and orders of Government, notes by Mr. Volkens, Assistant Examiner, of his inspection of the office of the Kurnool division.

2. The office is in very good order.

ENCLOSURE.

Notes of inspection by R. C. F. VOLKERS, Esq., Assistant Examiner, Public Works Accounts, of the office of the Executive Engineer, Kurnool division, on the 2nd October 1883.

The Executive Engineer is Captain W. Jackson, and the Accountant, R. Cooposawmy Naidu. The latter was absent on leave at the time of inspection.

2. The office was last inspected on 9th February last (*vide* G.O, No. 512 W., dated 15th February 1883).

3. There are two sub-divisions, viz. :—

The Kurnool or head-quarters, under the direct charge of the Executive Engineer who has an imprest-holder for Rs. 50 in account with him.

The Cumbum, under Mr. E. A. French, supervisor, who draws against the Executive Engineer's credit in the treasury.

4. The divisional and sub-divisional cash-books and imprest accounts are in good order.

5. Work in the division is light and is executed entirely by contract. In the majority of cases but one contractor is employed on each work and, therefore, work abstracts have not been regularly maintained. But it is essential where *all* the charges for a work are not shown on one contract certificate, *e.g.*, when there are charges for petty supervision, or for materials which are not at once taken over by the contractor, that work abstracts should be kept up.

5. The register of works is complete and up to date for all works.

6. There is no stock in the division, the balance of Rs. 124-3-3, referred to in paragraph 8 of last report, having since been disposed of.

7. The half-yearly return of tools and plant is up to date. There are now no unserviceable articles on hand.

8. Service books are written up to date for all permanent non-gazetted servants of Government.

9. Registers of lands and buildings have been completed.

10. All other books and accounts are in good order and up to date.

11. With reference to the last report—

Paragraph 5.—Separate distinguishing letters are now entered on cheques drawn on the huzur and sub treasuries.

Paragraphs 10 and 11.—The items have since been adjusted.

Paragraph 14.—The rent due has since been recovered.

Paragraph 16.—The documents have since been submitted.

12. The office is in good order.

ORDER—dated 18th October 1883, No. 2961 W., Public Works.

Communicated to the Superintending Engineer, Third Circle, for the information and guidance of the Executive Engineer, Kurnool division.
