GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From Captain A. W. SMART, R.E., Executive Engineer, Kurnool Canal Division,
to the Examiner, Public Works Accounts, dated 2nd August 1884, No. 68-C.

With reference to your letter, No. 74 S.E. 3rd, dated 24th July 1884, I have the honor to state that salaries are paid by sub-divisional officers themselves as formerly, and I have not altered the practice as great inconvenience would result thereby. In the case of my absence from head-quarters men at Cuddapah would not get their pay for at least a week or ten days after audit in the divisional office. I have the honor therefore to request that you will permit the practice to continue. It is somewhat hard to keep men out of their pay for several days after it is due.

No. 305 S.E. 3rd.

Endorsement on the above.

Submitted to Government for orders. Reference is invited to paragraph 3 of the report published with G.O., No. 2960 W., dated 18th October 1883, as also to the remarks on paragraph 9 of the report published with G.O., No. 3076 W., of 31st October 1883.

From Lieutenant-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Kamalapuram, 20th August 1884, No. 1012:—

With reference to your endorsement, No. 1422, dated 14th August, I have the honor to state that the disbursement of salaries of sub-divisional officers by the Executive Engineer as laid down in paragraph 497 of the Public Works Code would cause delay and inconvenience to the payees. I think the sub-divisional officers should be allowed to pay their own salaries and those of the establishment under them.

ORDER—dated 1st September 1884, No. 2153 W., Public Works.

The arrangement under which sub-divisional officers in the Kurnool Canal division pay their own salaries and those of their establishments may be continued at the discretion of the Superintending Engineer.
