As in the case of Mr. Vears

to pass an order that there was
no vacancy in the S.E. (in the class) then
to permit of an off. app. being made
& that no charge allowance is admissible
under the rules. — CJ.

Captain Rawson held charge
of the 1st. Circle vice Mr. Walch
absent on privilege leave. Mr. Walch
for whom Captain Rawson held charge
was only an Executive Engineer
1st. Grade and in the same class as
Captain Rawson previous to his
going on leave, as there were at
the time the full complement of
Supg. Engineers sanctioned for the
Presidency actually on duty, and
no vacancy for Mr. Walch.
2. The circumstances of Captain
Rawson's case are such that they
do not, in my opinion, admit of even
any charge allowance being granted
to him for performing the addi-
tional duties of Supg. Engineer in
addition to his own work as an
Executive Engineer.

I do not quite understand this matter.

Mr. Walch had postponed his privilege leave, would he not have been entitled to the pay of Acting S.E. from 5th April until 9th (date of Lt. Col. Vibart's appt.) - and to pay of Supt. of Works up to date of Lt. Col. Pennycutck's arrival in Madras?

See above.
My information here is not complete as to the dates of the several events.

L.S.

Note

Mr. Walch drew pay as acting Superintending Engineer till the 9th. April 1884 (when Col. Vibart was promoted Suptg. Engr.).

The allowance for a Supt. of Works has been disallowed by the Examiner's office from the 9th. April 1884 on the ground that the sanction of the Govt. of India was only for one year.

If however the Govt. of India sanction the continuance of the allowance for another year then Mr. Walch can be allowed to draw the pay of a Supt. of Works from the 9th. April to the 18th. April 1884 (when Col. Pennycutck took charge of the Tank Scheme.).

Note The Special allowance
of Rs 100 per annum for
the office of a Sub-Inspector
was sanctioned by the G.O.
for one year. The price
office that was allowed
to draw this allowance was
Inspector Clarke R.E. He
drew it from 17 April/83
to 6 Feb/84 on which
later date, he ceased
to draw the allowance
from 7 Feb/84 to 8 April/84
when he was made
Sub-Inspector & class.
Col Perry with R.E. assumed
charge of his duties
(Rank was Senior Sub-Inspector)
on the 18 April/84 and
as the sanction for the
price of the allowance office
by the 16 April/84,
the allowance was of the
paper in favor of any
other office for the period
from 9 to 16 April/84,
as none was appointed
to Sub-Inspector of workshop TO

Capt. Rawson's claim
to an allowance for
holding charge of the I
Circle from 5th April
to 22 May 1884.

In this office note
No. 1264 of 5.8.84, the
C was asked to state
whether no charge allow-
ance of any kind was ad-
missible to Capt. Rawson
for the period in question.

The C replied ~~that~~
to the effect that as
Mr. Walsh, from whom
Capt. Rawson had taken
charge, had drawn
no extra allowance
previous to ^{handing} ~~handing~~
over, nothing could
be paid to Capt.
Rawson.

Further enquiry
has shown that this
statement is not quite

Correct.

Mr. Walsh drew allow-
ance as Supt. Supt. up to
9th April, on which date
he reverted to Supt. Supt.
on Col. Viliart's promotion.

The allowance of £100
for the Tank Scheme
was drawn by Col. Viliart
up to 9th April. The sanction
given by the Govt of India
for one year expired on
the 16th April, but no
officer appears to have
drawn the allowance
from 9th to 16th April.

The reply to Mr.
Question therefore is that
if Mr. Walsh had post-
poned his privilege
leave, he might have
drawn the allowance
as Supt. of works
up to 16th April - ~~if~~
~~the Govt. sanction~~
It would appear
therefore that Capt

Rawson might be
granted the allowance of
100 per m. from 9th to 16th
April, if the Govt.
sanction the continuance
of the allowance for
another year, he might
draw it also ~~for~~ for
the 17th April -

Col. Pennycook
took charge on the 18th
April, & will, if the
Govt. sanction the
allowance, draw it with
effect from that date.

From 18th April
to 22nd May therefore
no allowance is ad-
missible to Capt
Rawson.

Proposed to send
the reg. office with
to C.

C
19.8.94

as Supt. of Works he admitted
to Cape Rawson from 9th
April (date of Mr. Roberts
promotion) to 16th April (date
on which the G. & D. sanction
lapsed) and also for 17th
April. Should the G. & D.
sanction the continuance
of the allowance for another
year?
