READ—the following letter from H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 16th August 1884, No. 5613-A.:—

I have the honor to request the sanction of Government for the purchase of the house in which the Government girls' school at Vellore is now located. The house is valued at about Rs. 800 by the Executive Engineer, and the owner has consented to sell it for Rs. 700. The rent paid at present is Rs. 4, but it would appear that the owner desires that it should be raised to Rs. 7, or the building vacated. Dr. Bradshaw reports that the class-rooms are sufficiently large and that the locality is the best available for a girls' school. A ground plan of the building I beg to enclose for the inspection of Government.

2. The charge can be met from savings in the provision for "high, middle and primary schools" in the budget estimate for 1884-85.

Transferred to the Public Works Department, with reference to paragraph 1215 of the Public Works Code.
