The Executive Engineer, Vizagapatam, authorised to admit the — on the military buildings.

No. 517

Waltair 26th June 1884.

2191/W

From

The Executive Engineer

To

The Superintending Engineer

Dowlaishvaram.

Sir,

Referring to your endorsement No. 79 VZ dated the 7th June 1884, I have the honor to inform you that the Municipal Tax on Military buildings in the Fort Vizagapatam under reference was paid before the receipt of G.O. No. 266 W dated the 30th January 1884. The payment was made on the 11th March 1884, but the G.O. was received in this Office only on the 20th March 1884. On the 22d March 1884 I addressed the Municipality Vizagapatam for the refund of the above money on the strength of the G.O quoted above,

but

but their vice President under date the 24th instant informs me as follows. "It will be observed that the Commis"sioners decline either to refund the tax "paid for 1883-84 or to exempt the build"ings in future from taxation on the "ground that they are not situate "within the limits of a Cantonment."

2 The Vizagapatam Municipality are altogether mistaken in considering that the fort is not within the limits of Cantonment; It has ever been and is a Cantonment. I have informed them accordingly and also forwarded them a general plan of Cantonment in Waltair and Vizagapatam for their perusal and demanded the refund of the House Tax on Military buildings already paid them. The result of this reference will be communicated to you hereafter: meantime I may call your attention to the surreptitious manner in which all Cantonments have been made away with in these districts after the removal of the Military therefrom without any formal or legal transfer and has subsequently given much trouble both in Civil and Military stations; of course You are aware that Vizagapatam was the Head quarters of the Northern Circars and was always a Cantonment and it is absolutely necessary that we retain the limits of the Fort of Vizagapatam, though that portion Waltair has apparently been surreptitiously made away with after the abolition of the Artillery and Brigade Command.

Point 2. Read letter No 521 dated 26: June 1884: from the Executive Engineer in charge of the Vizagapatam division forwarding general plan of Cantonement in Waltair and Vizagapatam and claiming refund of tax Rs: 57-12-6 paid on account of Military buildings in the Fort for the year 1883-84.

Resolution. As the Cantonement Act I of 1866 has never been extended to Vizagapatam or to Waltair and as it appears from the

the President's letter No. 205 dated 28th March 1881 printed in G.O. No. 781 dated 5th May 1881, that there is "No Military Cantonement &c at Waltair or at Vizagapatam," the commissioners feel doubtful whether the resolution of Government of India exempting Government buildings in Cantonements applies to the Military buildings at Vizagapatam. They therefore resolve to decline the refund now applied for without a special order of Government.

Referring to your letter x No. 521 dated the 26th ultimo, I have the honor to forward herewith copy of the Resolution passed thereon by the Commissioners at the meeting held on the 12th instant. From this you will observe that they decline to refund the tax Rs: 57-12-6 paid on account of the Military buildings in the Fort for 1883-84 without a special order of Government as they are doubtful if G.Os. No. 104 & 105 apply to the above buildings, the Cantonement Act I of 1866 not having been ever extended to Vizagapatam or to Waltair.
