G.O., dated 6th September 1884, Mis. No. 2119, Financial.

Read—Endorsement of the Public Works Department on the following memorandum from the Consulting Engineer for Railways, to the Joint Secretary to Government, Public Works Department, Railway Branch, dated 2nd September 1884:—

The undersigned submits, in accordance with G.O., No. 1858, dated 22nd August 1883, the following proposals, an early decision on which is necessary to enable the Provincial Railway budget to be submitted by the 15th September.

For the survey of a line from Palghat to Dindigul Rs. 7,000 were provided in the budget estimate for 1884-85. The work will be commenced in this month, and allowing six months' work in the current year, it is probable that Rs. 12,000 will be wanted.

The line of next importance is that from Vellore to Damulcheru, probably 50 miles at Rs. 150 per mile = Rs. 7,500. For this work Mr. Haig will be available probably for five months' work in the current year, and if an allotment of Rs. 7,500 can be given for this, no provision will be necessary for 1885-86.
