Establishment.

READ—the following letter from H. LAMBERT, Esq., Engineer-in-Chief, Bellary-Kistna State Railway, to the Joint Secretary to Government, Public Works Department, Railway Branch, dated Bellary, 29th August 1884, No. 3044 :—

In continuation of my No. 3021, of 27th instant, I have the honor to enclose copy of No. 1079, of 27th idem, from the medical officer of the Madras general hospital, stating that probably more than a month will be needed for Mr. Wallnutt's recovery. It may be said therefore that he will be, at all events, three months absent. Under these circumstances, I beg to know whether the Madras Government would be prepared to employ Mr. Wallnutt elsewhere on his return to duty, and would meanwhile engage a temporary Assistant Engineer, if one can be found qualified for the description of work required.

ENCLOSURE.

From the Acting Surgeon, General Hospital, Madras, to the Engineer-in-Chief, Bellary-Kistna State Railway, dated 27th August 1884, No. 1079.

In reply to your letter, No. 2949, dated 23rd August 1884, I have to inform you that Mr. R. Wallnutt will not be fit for duty for at least a month, and probably an even longer time will be necessary to ensure his recovery.

ORDER—dated 13th September 1884, No. 2255 W., Public Works.

Mr. Wallnutt's services are no longer required in the Public Works Department. Under the terms of his engagement, Mr. Wallnutt is entitled to one month's notice, and this will now be issued by the Engineer-in-Chief, Bellary-Kistna State Railway.

Letter—from
Lieut.-Col. C. J. SMITH, R.E.,
Joint Secretary to the Government of Madras,

To
The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department,
(Railway).

Sir,

I am directed to report that, in accordance with resolutions arrived at in conference with the Member for Public Works of the Council of the Most Honorable the Governor-General, arrangements have been made for the survey of railway extensions from Guntakal to Hindupur, and from Tirupati to Kadiri.

2. The services of a temporary engineer have not yet been secured for the former extension, but it is hoped that an officer may shortly be made available for the duty.

3. The survey of the latter is in progress under Mr. Span, who was recently transferred from one of the Project divisions for this work.

4. I am to state that, in the opinion of this Government, it would be convenient were the Engineers-in-Chief of the Bellary-Kistna and Cuddapah-Nellore lines, respectively, instructed to include the estimates of the cost of these surveys in the estimates for those portions of the lines already sanctioned provisionally, and I am to ask that these officers may be empowered to meet all expenditure on those surveys from funds placed at their disposal for the construction of the lines under their charge.

5. As regards the Tinnevelly-Quilon extension, I am to report that the Travancore Government have agreed to bear their share of the cost of the survey according to mileage, and that the work is now in progress under a staff lent by the South Indian Railway for the purpose.

3

6. I am to suggest that in this instance the cost of the survey, estimated not to exceed Rs. 18,000, be met, in the first instance, by the South Indian Railway Company, the amount of the share due to British territory being hereafter reported to the Government of India in order that provision to meet it may be made from Imperial funds.

I have the honor to be,

From G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 21st December 1883, No. 1615 G.

With reference to your letter, No. 472 E., dated 24th October last, I am directed to forward copy of Public Works Department letter, No. 1496 G., dated 27th ultimo, to the address of the Government of Bengal, relative to the appointment of Mr. Wallnutt as a temporary Engineer, and to request that it may be stated what salary should be authorised for him, so as to admit of his drawing Rs. 750 per mensem clear after allowing for the deductions under section 177-A of the Civil Pension Code.

2. In stating the gross pay proposed these deductions should be clearly stated and certified.

Enclosure.

From the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Bengal, Public Works Department, dated 27th November 1883, No. 1496 G.

The Government of Madras has selected Mr. R. Wallnutt, at present employed as District Engineer under the Road Cess Committee of Mymensing, for employment as a temporary Engineer in that Presidency, on a salary of Rs. 750 per mensem clear of deductions on account of the pension, &c., which he received when he retired in 1879; that is to say, it is proposed that he should receive from Government a clear salary of Rs. 750 after allowing for any deductions on account of pension and bonus under section 177-A of the Civil Pension Code. The Government of India has been pleased to sanction this proposal, and I am to request that you will make the offer of this appointment to him, and report the result to this department as soon as possible.

2. I am to add that Mr. Wallnutt should be informed that the appointment will be for one year under the conditions laid down in Public Works Code, Chapter I, Paragraph 88 A, Rule IV, that is to say, he will be on the footing of a monthly servant and must understand that his appointment carries with it absolutely no claim to pension or to any absentee allowances beyond those conditionally given by the rules of the Civil Leave Code to temporary employés, and he will have to sign a declaration that this is clearly understood by him.

Office note from the Examiner of Public Works Accounts, dated Madras, 13th February 1884, No. 1178.

To enable Mr. Wallnutt to draw a clear salary of Rs. 750 per mensem after allowing for any deduction on account of pension and bonus under section 177-A of the Civil

Pension Code, his gross salary should be fixed at Rs. 772-14-8 per mensem, which has been arrived at as follows :—

	RS.	A.	P.
Amount of special bonus granted to Mr. Wallnutt under Government of India Financial Department Resolution, No. 2079, dated 31st July 1879	5,500	0	0
5 per cent. per annum on above	275	0	0
5 per cent. per mensem	22	14	8
Amount of net pay proposed	750	0	0
Total gross pay to be fixed ...	772	14	8

2. Mr. Wallnutt will also cease to draw his pension of Rs. 109-2-11 from the date on which he receives his salary from the Public Works Department—*vide* G.O., No. 1773 W., dated 23rd June 1883.

ORDER—dated 16th February 1884, No. 418 W., Public Works.

The information supplied by the Examiner in his office note, No. 1178, dated 13th February 1884, will be communicated to the Government of India, in reply to their letter, No. 1615 G., dated 21st December 1883.

Sir,

With reference to a telegram received yesterday from C.B. Target Esqre, Executive Engineer of No. 1 Tank Division, Madura, reporting that he has obtained a sick Certificate to england for three months, I have the honor to request you will be so good as to order some competent Officer to take charge of the Division, during the absence of Mr Target, and to proceed to Madura, as soon as possible.

As the case seems urgent I hav directed Mr Target by wire to hand over charge to Mr temporary Assistant En deBloecks the only individual in Tank Division available for the purpose; but I need hardly inform you that Mr de Cloets who is only 18 or 19 years of age and has no Departmental experience is quite unfitted for the charge of the Division and I have to request that the competent Officer asked for may be directed to take charge of the Division without delay.

Mr Usher the only other Officer in the Tank Division has lately been brought up to the Madras Basin and is now busily superintending the operations of two large Survey parties and the preparation of estimates with a view to the utilization of the large grant of nearly two lakhs of Rupees for next year if this work is delayed the operations of the Tank Divisions will be as great a failure in regard to the utilization of the grants as they have been this year for the want of establishment.

SIR,

I have the honor to inform you that Mr. R. Wallnutt who reported himself to me on the 3rd Instant, for employment in No. 1 Tank Division has submitted a medical Certificate and will probably not be able to leave Madras for some days.

In my letter No. 224 T dated 9th February 1884, marked urgent I specially requested a competent Officer to take charge of the Division during the absence of Mr. Target, but I understand from Mr. Wallnutt that he has no experience whatever of Irrigation Works and he will

28

will under the circumstances be of no real use in the Tank Division, I would therefore earnestly request that if possible a competent Officer of experience in the Madras Irrigation Works may be appointed to the Division Mr. Wallnutt being utilized in a permanent Division as suggested by the Government of India in their letter printed with P.W.G. No. 472, I, dated 21st February 1884.

I would here respectfully point out that of the Divisional establishment sanctioned by the Government of India in May last, in their letter No. 741 G. dated 21st May 1883.

The Executive Engineer Mr. Target was not appointed until December and then only did work for a few weeks.

The Assistant Engineer Mr. Usher did not join the Divn. until October & the Sub Engineer until

the end of September.

S. E. Tank Scheme brings to notice that Mr. Wallnutt who has taken No I Tank Division during Mr. Tangye's absence has no experience of Irrigation works & earnestly asks that an officer of experience in Madras Irrigation be posted to the Tank Division & Mr. Wallnutt utilized in one of the permanent Divisions.

The permanent Divisions also have Irrigation works to look after — Presidency & Nilgiri Divns. excepted.

Would suggest that Col. Montgomerie's letter be forwarded to E. S. who may be able to say what permanent Ex. E. had best be posted to Tank Division, if S. E. Tanks' request is reasonable.
