NOTE OF REMARKS.

1. The accompanying plan and estimate provide for constructing a verandah to the Military Prison in Fort Saint George. The estimate amounts to Rs. 515.
2. It is stated that the verandah is very much required to enable the prisoners to work without exposure to the weather.
3. The outside length of the verandah is 30 ft., and the outside width, 10 ft. The flooring is to be of bricks, 8x8. The roofing will be Bengal terrace, supported on 5 teak posts, cross section 5x5, on the side of the verandah removed from the prison wall.

11.9.84, 2.15.84

4. The scantlings of the
timbers are correct, though
perhaps, 6"x6" would be
a better cross section for
the posts.

5. The plan and estimate
have been countersigned
by the Qu. Mtr. General.
