Enclosures
Sir,

With reference to your No 616 dated 25th Inst.
I have the honor to report that
Mr. Medlicott, 2nd Grade Assistant
Engineer has shown energy and efficiency
in carrying out the works in his charge.
During the past working season, a
good deal of work in the way of
clearances &c had to be done in a
very limited time. On my inspection
at the beginning of this month, I
found these works well advanced.

Encl: 1 Copy of Application I have the honor to be

Proceedings of the Committee
convened by the Chief Engineer
to examine J. H. Medlicott
Esq. Assistant Engineer
2nd Grade with reference
to paras 92 to 94 of the P.W.
Code.

The Committee assembled
at Nistapuram on the
3rd September and put
twelve general practical
questions on the following
subjects.

Six regarding processes for
preparing material and
modes of construction in
local use, also with reference
to the resources of the District
in which he is employed as
to materials &c.

Two on the procedure of
the Code and four regarding
preparation of accounts.

The Committee having
carefully considered the

Answers given is of opinion
that Mr. Medlicott has
exhibited a good practical
knowledge of engineering
details and is conversant
with the resources of the
District. He has also shown
himself fairly acquainted
with the rules and forms of
account in use in the Depart-
ment.
