17TH SEPTEMBER 1884, No. 2293 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 27th August 1884, No. 890.

I have the honor to request that funds may be allotted to the following works:—

	RS.
(1) Improving roads in Chepāk park and maintaining trees	1,400
(2) Widening promenade between Napier's bridge and Triplicane creek and other improvements at Chepāk	7,843
(3) Constructing a bridge over Buckingham canal near Senate House.	9,455
(4) Additions to Public Works offices, Chepāk	4,126
(5) Erecting a tomb over the grave of the Right Hon. W. P. Adam (Ootacamund)	418
(6) Provincial Minor Original Works, Civil Buildings	2,200

(1) A sum of Rs. 10,550 was allotted to this work in the Provincial budget and G.O., No. 1581 W., dated 24th June 1884, and the difference was ordered to be applied for later in the year (*vide* G.O., No. 1819 W., dated 28th July 1884). But as the works forming the project must be completed before or during monsoon, I beg that a further sum of Rs. 1,400 (the balance of the estimate) may now be granted.

(2) to (5) These works will be completed before the close of the official year and funds for completing them are necessary.

(6) Under this head there are now about four works (sanctioned and under execution), amounting to Rs. 4,200, but as only Rs. 2,000 have been allotted in G.O., No. 1581 W., dated 24th June 1884, I have to request that the difference may now be granted.

2. May I also request that you will be good enough to grant funds (Rs. 10,000) to go on with the "additions and improvements to the Madras medical college," sanctioned in G.O., No. 1252 W., dated 17th May 1884. Copy of a letter from the Principal, Madras Medical College, enclosed.

ENCLOSURE.

From Surgeon-Major J. KEES, M.D., M.R.C.P.L., Principal, Medical College, Madras, to the Consulting Architect to Government, dated Madras, 25th August 1884.

With reference to the order of Government, No. 1252 W., Public Works, dated 17th May 1884, sanctioning certain additions and alterations to the college building, may I ask the favor of your kindly undertaking, as early as practicable, the construction of the new anatomical lecture and dissecting rooms, &c., as these are very urgently required.

4. Owing to the large number in our classes, the present thatched dissecting room will, this year, be more than ever unsuited for the purpose as such.

From Surgeon-Major J. KEES, M.D., M.R.C.P.L., Principal, Medical College, Madras, to the Director of Public Instruction, dated Madras, 29th August 1884, No. 285.

I have the honor to forward a communication received from the Consulting Architect to Government, dated 27th instant, in respect to the necessity for the early completion of the new anatomical theatre and dissecting room, which recently received

the sanction of Government,* and to request that you will be good enough to

* In G.O., No. 1252, dated 17th May 1884.

move the authorities to provide this officer with the necessary funds to enable him to commence the work at an early date, as the existing thatched sheds do not afford sufficient accommodation for the larger number of students engaged in dissection during the winter session.

ENCLOSURE.

From Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Principal, Medical College, Madras, dated Chepāk, 27th August 1884, No. 881.

With reference to your letter, No. 277, dated 25th instant, I have the honor to state that I have applied for Rs. 10,000 to be spent on the dissecting house during the current official year, but I cannot say whether the amount will be allotted or not. It would, I think, very much help matters if you were to kindly address Government on the urgency of the work, and request an allotment of funds.
