RESOLUTION.—After consultation with the several local Governments and Administrations, it was decided in February 1875 to reduce the cost of church establishments in India. To carry out this decision, the scale of charges (shown in the margin) was fixed for general adoption, with the reservation that, in some places, somewhat higher charges might be allowed, under exceptional circumstances; and that in the case of third-class (non-military)

First class (churches, the property of Government, containing more than 400 sittings at stations where there are European troops) —	Rs.
One Clerk	12
Chowkeedar-bearer	6
Water-carrier	5
Sweeper	4
Lighting	20
Total	47 a month.

— and a second class

Second class (churches, the property of Government, containing less than 400 sittings at stations where there are European troops)—

One Chowkeedar-bearer	Rs. 5
" Sweeper	4
Lighting	10
Total	19 a month.

Third class (churches, the property of Government, at stations with no troops, or with only Native troops)—

One Chowkeedar-bearer	Rs. 5 a month.
------------------------------	----------------

2. After consideration of the reports called for, the Governor-General in Council is pleased to pass the following orders.

3. If a Clerk is now employed in any second-class military church, he need not be dismissed: the full reduction of the establishment must await the occurrence of a vacancy.

4. In Madras, including Mysore, but excluding Berar, there are fifty-six churches,* and the cost of establishments, on the scale laid down by the Government of India, would amount to Rupees 700 a month, as against a present charge of Rupees 1,917½. The Government of Madras recommends, however, that the pay of chowkeedar-bearers be fixed at Rupees 7 instead of Rupees 47 a month be allowed to the church at Black Town; and that to five of the remaining thirty-six third-class non-military churches, the marginally-noted special allowances be allowed. These proposals are approved, with effect from 1st April 1877. A tabular statement showing the financial results of the measure, and including, as a temporary charge, the pay of such Clerks as are now on the establishments of the second-class military churches, should be forwarded for formal sanction.

5. The Government of Bombay proposes (1), to raise the pay of chowkeedar-bearers; (2), to allow a peon to each Chaplain; (3), to retain Clerks for second-class military churches; (4), to do away with water-carriers and sweepers and provide for their duties from the contingent allowance of Rupees 20 a month for lighting for first-class churches; and (5), to allow a small contingent allowance to poor third-class non-military churches. The tabular statement submitted by the Bombay Government also shows other variations from the standard scale fixed in 1875. The Governor-General in Council regrets that he is unable to sanction peons for Chaplains in Bombay; but he is pleased to sanction the following scale for adoption in the Bombay Presidency from 1st April 1877, with a request that a tabular statement showing the charges now made may be forwarded to Government for communication to the Audit Department:—

	First-class Military Churches.	Second-class Military Churches.	Third-class Non-military Churches.
One Clerk	Rs. A	Rs. ...	Rs. ...
" Chowkeedar-bearer	7	7	7
Contingent allowance to cover lighting and sweepers' and water-carriers' wages.	20	10	B

A. On the pay proposed by the Archdeacon of Bombay.

B. A list of the poorer churches, for which a special contingent allowance is asked, should be entered in the tabular statement.

6. The proposal of the Government of Bengal in respect to the six military (first class) churches, including the two within Fort William, for which the authorized allowance of Rupees

47 a month is considered to be sufficient, is sanctioned with effect from 1st April 1876; Rupees 100 a month is also allowed for each of the four (third class) non-military presidency churches*

from 1st April 1877, for two years, subject to reconsideration at the end of that period; and an allowance of Rupees 55 a month is sanctioned for St. Stephen's Church, Kidderpore, and the church at Howrah, on the same terms. Considering the peculiar character of St. Andrew's Kirk in Calcutta, and its use by the Military, the recommendation of the Rev. Mr. Thomson for an allowance of Rupees 100 when there are two Chaplains, and Rupees 185 a month when there is one, is approved from the same date. The necessity for so large an allowance as Rupees 32 a month for the care of the clock must be further established. The entire services of a competent native artisan could probably be secured for a much smaller sum.

7. In respect to the non-military (third class) churches in Bengal, the Governor-General in Council considers that the scale laid down in February 1875 should be more closely adhered to than is proposed by the Government of Bengal. The exceptional allowances there contemplated were intended only for churches with "fluctuating and limited congregations," and not for general adoption. The churches at Dacca, Cuttack, Berhampore, and other places do not appear to be of this class. His Excellency in Council desires, therefore, that the Government of Bengal will submit a tabular statement more in accordance with the scale laid down in February 1875, and showing the financial results of the arrangements now sanctioned for church establishments in Bengal.

8. The classification of churches, submitted by the Government of the North-Western Provinces, shows that there are thirty-six churches, the proposed cost for the establishments of which is Rupees 670. But it appears doubtful if this classification includes the Episcopal and Presbyterian Churches at Allahabad. This should now be made clear; and the church at Chunar should be ranked as a third-class (non-military) church, and not as a second-class military church. The usual tabular statement should also be submitted showing the financial result of the charges now authorized, with effect from the beginning of the next financial year.

9. There are forty-eight churches in the Punjab, and the cost of the establishments proposed for them is Rupees 878 a month. It is also recommended that Rupees 50 a month may be placed at the disposal of the Government of the Punjab for allotments, when necessary, to the poorer third-class (non-military) churches. The proposals of the Government of the Punjab are sanctioned, with effect from 1st April 1877. The usual tabular statement should be submitted.

10. There are fifteen churches in the Central Provinces, the cost of the establishments of which is Rupees 205 a month. Revised establishments, as shown below, are sanctioned for these churches, resulting in an increase of Rupees 17 a month over the existing charge:—

	Existing cost, per mensem.	Now sanctioned, per mensem.
First-class church at Kamptee	Rs. 71	Rs. 47
Do. at Saugor	39	47 } A.

Total	205	222
Increase	...	17

A. As detailed in paragraph 1 of this Resolution.

B. Do. plus the pay of a Clerk, temporarily, as sanctioned in paragraph 5.

11. The Chief Commissioner of British Burmah submits a list of church establishments in that province, and recommends "that the establishments should be restricted to the scale fixed by the Government of India; but that the rates of pay should be in accordance with those which are customary throughout Burmah, where the cost of living is greatly in excess of that of India." He also recommends that an allowance of Rupees 30 a month may be granted to the Roman Catholic Church at Thayetmyo. In accordance with these recommendations, the establishments noted below, which are in conformity with the scale laid down in February 1875, are sanctioned for the churches in British Burmah, with effect from 1st April 1877 :—

	First class, Rangoon Church.	First class, Rangoon Town.	First class, Thayetmyo Protestant Church.	Second class, Thayetmyo Roman Catholic Church.	First class, Tonn-goo.	THIRD CLASS.				Total.

12. In addition to the higher rates of pay for chowkeedar-bearers, on account of the prevalent wages in the Hyderabad Assigned Districts, the Resident at Hyderabad proposes to add eight pions, at a cost of Rupees 56 a month, to the authorized scale of church establishments. The Governor-General in Council regrets that he is unable to depart from the scale already fixed, but is pleased to sanction the other proposals as shown below, from the beginning of the next financial year :—

13. The list submitted by the Chief Commissioner of Oudh shows that there are only six churches in Oudh, three of the first and three of the second class. The proposed classification of these churches is approved, with effect from 1st April 1877, with a request that a tabular statement may now be forwarded.

14. The Chief Commissioner of Assam states that there are in Assam six third-class non-military churches, and proposes to pay the chowkeedar-bearers at Rupees 10 each a month, remarking that "this is the lowest salary on which a servant can be entertained to perform the above duties in this province." The Governor-General in Council sanctions a chowkeedar-bearer for each of the churches in Assam on the pay of Rupees 6 each a month, from 1st April 1877, and requests that the usual tabular statement may now be forwarded.

Ordered that a copy of this Resolution be sent to the Home Department for communication to the several local Governments and Administrations, with a request that the establishments of the Cathedrals in Calcutta, Bombay, and Madras may be settled on an early date.

Ordered, also, that a copy be sent to the Comptroller-General and to the several Accountants-General and Deputy Accountants-General in independent charge for information and guidance.

Churches—Establishments.

Read the following papers:—

No. 23. *From the Venerable C. R. DRURY, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 16th October 1876, No. 425.*

I have the honor, in compliance with requisition made in paragraph 4 of G.O., Ecclesiastical Department, 12th September 1876, No. 232, to submit a tabular statement showing the financial results in the Church establishments of second-class Military Churches, if Clerks are to be allowed in such Churches as have drawn pay from Government for Clerks hitherto:—

	Present Cost.			Proposed Cost.		
	RS.	A.	P.	RS.	A.	P.
Trinity Church, Bellary	36	0	0	31	0	0
Bolarum (see G.O., June 1876, No. 1443) ..	7	0	0	19	0	0
Palaveram Church	32	2	8	31	0	0
Poonamallee do.	45	8	0	36	8	0
Tripassore do.	19	0	0	31	0	0
Vizagapatam do.	66	4	0	36	8	0
Total	205	14	8	185	0	0

Bolarum does not draw any fixed allowance for a Church Clerk.

2. The Church Clerks at Trinity Church, Bellary, Palaveram, and Tripassore, receive each a salary of Rupees 12 a month. By the new scale, the allowance for Tripassore, by retaining the Clerk on his present salary in addition to the establishment proposed in G.O., 20th February 1875, will be considerably increased, as shown in the above table. I respectfully submit that this increase is unnecessary, and that the present establishment for this station, which has hitherto proved adequate for the requirements of the Church, should be allowed to remain as it is. At Poonamallee and Vizagapatam, the Church Clerks receive a salary of Rupees 17-8-0 a month.

No. 24. *From the Venerable C. R. DRURY, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 30th November 1876, No. 429.*

I have the honor, as required by G.O., 12th September 1876, Ecclesiastical Department, No. 232, to forward a tabulated statement of present and proposed scale of Church establishments. This statement has been examined by the Accountant-General's Department, as ordered in memorandum, No. 1668, Ecclesiastical Department, 27th October 1876, and a letter approving the same as correct from the Officiating Deputy Accountant-General is enclosed.

2. There are some instances in which permanent increase is proposed, which require explanation.

The proposed increase for Bolarum, and the Fort at Bangalore, was approved in letter to the Secretary to the Government of India, Ecclesiastical Department, No. 143, dated Ootacamund, June 6th, 1876.

3. In G.O., 20th August 1867, Ecclesiastical Department, one peon on a salary of Rupees 7 allowed to the Chaplain in charge of Chudderghaut and Bolarum, I propose that Rupees 7 monthly be allowed for a Chowkeedar for Chudderghaut, the same as at other Churches at which European troops do not attend.

4. No allowance from Government has been made hitherto for the Church at Ramandroog. As this is a military sanitarium for European soldiers, and service is held every Sunday by the Officer Commanding, when the Chaplain does not visit the station, I respectfully submit that an allowance of 19 Rupees monthly should be made, as for other Churches ranked as Class II.

No. 25.

ORDER THEREON, 21st April 1877, No. 93.

The tabular statements showing the present and proposed scale of Church establishments, submitted with the foregoing letters, will be forwarded to the Governor-General in Council for sanction.

2. The entries under Class II have been revised in accordance with the concluding sentence in paragraph 4 of the Financial Resolution, dated Simla, the 15th August 1876, No. 2202. The inclusion of Ramandroog in this class is approved for the reasons assigned in paragraph 4 of the Venerable the Archdeacon's letter, No. 429, dated 30th November. The charge for the Church at Tripassore will be retained at its present amount, viz., Rupees 19, *i.e.*, Rupees 12 for a Clerk and Rupees 7 for a peon or lascar (Chowkeedar).

3. The result of these alterations show that the charges will be as follow:—

1. The following two estimates have been submitted:
An estimate for recasting the bell of St. Mary's Church at Ranipett, N. Arcot District - Rs. 230; and an estimate for providing the Protestant Church at Shittoor, N. Arcot District with an almirah and a moveable ladder - Rs. 56.
2. With reference to the estimate for recasting the bell of St. Mary's Church, which amounts to Rs. 230, para. 1259 of the P.W.D. Code lays down that Rs. 200 are to be the grant for a bell for a second class church - and a second class

The Vestry Almirah & ladder seem to me clearly admissible & may be sanctioned.
The bell is cracked & has to be recast. This is a repair, and under para 1267 the Church (which I presume was built by Govt) is repaired by the State. Upon sanction, however, it may be well to ascertain whether the Church was built by Govt.

The Churches both at
Ranipet and Chittoor are classed as
Government Churches in G.O. (Eccle-
siastical Department) No. 93 of
21st. April 1877. I would point out
however that for a 2nd. Class Church
the cost of a bell cannot according
to Code para 1259, exceed Rs. 200.

It is a question whether the
 limit of cost for a new bell includes
 the fixing, and work of steeple & tower, &
 which in the Estimate under consideration
 comes to Rs 49, the recasting of the
 bell costing Rs. 181. But in any case,
 the work is really a repair and may
 I think be sanctioned as such.
