GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 28th August 1884, No. 1061-A.

I am desired by the Commander-in-Chief to bring to the notice of Government that in the progress report of military works and repairs for the quarter ending 30th June 1884, Nilgiri division, certain expenditure on original works and repairs connected with the Lawrence Asylum are entered.

2. Being in some doubt as to the circumstances under which these works appeared in the progress report of works military, it having been previously ruled by the Government of India (*vide* proceedings of Government as per margin) that no further work on the Lawrence Asylum should be undertaken from military funds, I addressed

Proceedings of Government, No. 1183 W., dated 20th April 1883.

Do. No. 1964 W., dated 13th July 1883.

the Executive Engineer in view of seeking information on the subject, and from his reply I gather that, under instructions from superior authority, work on these buildings is being carried out from the military budget.

3. The correspondence and the progress report of the Nilgiri division above referred to are forwarded for perusal, and their return requested; and I am desired to solicit the attention of Government to the circumstance, there being many military works of importance on which His Excellency is anxious to see funds expended.

No. 4245, Military.

Referred to the Public Works Department.

(By Order.)

(Signed) A. R. KENNEY-HERBERT, Lieut.-Col.,
Offg. Secretary to Government.

1st September 1884.

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 6th September 1884, No. 308-C E.W.

In reply to your endorsement, No. 622 E., of 4th September 1884, I have the honor to inform you that the expenditure of Rs. 4,508 in question was on the hospital of the female branch of the Lawrence Asylum, but incorrectly shown in

the progress as hospital of the male branch. It was incurred, prior to April 1883, under the authority of G.O., No. 2977, of 29th November 1881. The only transaction in the current year was a recovery of Rs. 44, which is shown in the progress report in red ink as—44.

2. The Government of India having, in their letter printed with G.O., No. 1964 W., of 13th July 1883, stated that they "are not prepared to sanction any expenditure on" new works or improvements at "the Lawrence Asylum buildings," care will be taken that no expenditure of this nature is incurred without proper authority. It is assumed, however, that the repairs of the buildings are still to be charged to military.

ORDER—dated 19th September 1884, No. 2310 W., Public Works.

It is understood that no expenditure from the military works grant has been incurred during the current official year on *new* works in connection with the Lawrence Asylum buildings; and the Superintending Engineer will see that no such outlay is allowed without proper authority.

2. The buildings are classed as "Imperial, Military," and must be kept in repair from funds assigned under that head.

To

The Executive Engineer
Nilgiri Divn.

Sir

With reference to your
list of works in progress in
the Nilgiri Division for the
quarter ending 30th June 1884
submitted to the G.O.C. Banja
Lore Divn. it is observed that
works and repairs are entered
therein classed under the
Head of Military Works, but
which appertain to the Law-
rence Asylum, and that under
the head of repairs reference is
made to G.O. W. 1581 W. dated 24th
June 1884 as the authority under
which these have been carried
out as repairs military, but on
reference to the O.G. quoted no
allusion to the Lawrence Asy-
lum can be found except in
one instance and then the work
is classed under Provincial

3 and

and Local Incomplete Works.

2. Under the head "Original Works" is entered "Hospital attached to Male Branch, Lawrence Asylum" and shewing that a sum of Rs. 4508 was expended on this account up to end of last year, and that further sums of Rs. 447 have been spent in each of the months of May and June of the current year. The Govt. of India in its proceedings No. 232 M.W. dated 12th March 1883, re-published in Proceedings of the Madras Govt. No. 1183 W. dated 20th April 1883 declined to sanction any more expenditure on the Lawrence Asylum Ootacamund, from Military Works Grant, and desired that the Boys' Hospital should be omitted in the final issue of the Budget Estimate for 1883/84 from the list of Class. C. works.

Notwithstanding this prohibition,

this

2310
3

This work was entered in Appendix B of the final issue of the Budget, as noticed by the Secretary to the Govt. of India, Military Department, in his letter No. 542 M.W. dated 14th June 1883 to the Secretary to the Government of Madras P.W.D. published in O.G. W. 1964.W. dated 13th July 1883 and in which he states "that the Government of India are not prepared to sanction any further expenditure on the Asylum buildings."

3. From the above instructions of the Govt. of India, it is evident that no works or repairs for the Lawrence Asylum, Ootacamund should be undertaken out of Military Works Grants, and, this is still more evident from the 2nd & 3^d paras of O.G. W. 191.W. dated 22nd January 1884 where Government direct that a work for the Asylum to be carried out from Provincial funds, and to be classified as Civil buildings Original works in

in consequence of the Govern-
ment of India having de-
clined to sanction any
further expenditure on the
Asylum buildings from mi-
litary funds."

4. I have therefore the
honor to request you will be
so good as to afford me some
information, on the points now
brought to notice; and explain
how sums allotted for mili-
tary Works Grants, still
continue to be expended on
works at this Asylum.

From, The Executive Engineer

To, The Quarter Master General,
Madras Army,
Ootacamund.

Sir, With reference to your
letter No 884, dated 12th August 84,
I have the honor to observe
that the quotation of G. O. No
1581 W, dated 24th June 1884, was
merely intended to indicate
that the repairs in question
were being met from the
lump sum grant of Rs 15000,
therein provided for repairs,
Military, on specific estimates
sanctioned from time to time
by the Local authorities, and
the Superintending Engineer, and
forwarded to the Executive
Engineer for execution.
2. The entry of Rs 44 against

against Hospital attached to
Male Branch Lawrence Asylum,
in the Quarterly Progress Report,
represents not fresh expenditure
during the current official,
but a refund or recovery of
expenditure previously incurred.
The nature of the refund will
be explained to you, if you
so require it.

3. In respect of the expla-
nation required by you as
to why sums allotted as Military
Works Grants still continue to
be expended on the Lawrence
Asylum buildings, notwith-
standing the prohibitive
orders of the Government
of India, I have the honor
to observe, that those orders
apparently have reference to
original works only and not
to repairs. The latter having
been classified under Repairs,
Military, by the Supg. Engr.,
in his return of Sanctioned
Estimates

estimates furnished for the
guidance of this office, the
expenditure has accordingly
been charged to that head.
For any further explanation
on the matter, I beg to refer
you to the Supg. Engineer, as
the Administrative head of
the P. W. D. of this Circle.
