READ—the following letter from A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 25th August 1884, No. 1003 G.:—

I am directed to acknowledge the receipt of your letter, No. 1832 W., dated 28th July 1884, on the subject of the allowance to be drawn by Mr. Lewis, Assistant Engineer, 1st grade, on the permanent establishment, for the period he held charge of the West Godavari division, during the absence, on privilege leave for three months, of Mr. J. Paul. In reply, I am to state that section 138 rule 2 of the Civil Leave Code governs the case, notwithstanding that Mr. Paul is substantively a permanent servant of Government, so that if he continued to draw the pay of the temporary appointment he holds while on privilege leave, no acting allowance is admissible to Mr. Lewis for officiating in it.

2. The Government of India, however, is of opinion that, if a permanent officer holds one of these outside appointments and goes on privilege leave, he should revert to his permanent appointment and pay for the period of his privilege leave, so as to allow his *locum tenens* to benefit by his absence.

ORDER—dated 19th September 1884, No. 2312 W., Public Works.

His Excellency the Governor in Council concurs in the opinion of the Government of India as expressed in paragraph 2 of the above letter. Mr. Paul must accordingly revert to his substantive rank during absence on privilege leave; and Mr. Lewis, who held charge of the division during Mr. Paul's absence, will receive the pay and allowances of an Executive Engineer on the temporary establishment for the period in question.

LETTER—from

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to refer the following case for the consideration of the Government of India.

2. In June last, Mr. J. Paul, Temporary Executive Engineer, in charge of the West Godavari division, proceeded on privilege leave for 3 months, and the divisional charge fell to Mr. W. C. Lewis, an Assistant Engineer, 1st grade, on the permanent establishment. In ordinary cases, when the charge of a division devolves on an Assistant Engineer through the absence of the Executive Engineer on privilege leave, it is the practice to gazette the former as Officiating Executive Engineer.

3. In consequence, however, of Mr. Paul being a Temporary Executive Engineer sanctioned against one of the temporary divisions, but occupying a permanent post (an arrangement recently allowed by the Government of India), his *locum tenens*, during the period of his absence on privilege leave, can, in the opinion of the Examiner, Public Works Accounts, draw no charge allowance, although fully responsible for the division. This, I am to point out, is a hardship on the acting officer, which, it is hoped, the Government of India will consent to remove, both in the case of Mr. Lewis, and in similar cases when such unavoidably occur.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Secretary to Govt., P.W.D.

Under this interpretation of rule by the Govt of India, Mr. Paul will have to move during privilege leave, to his substantive rank of Asst. Eng. 1st grade, if Mr. Lewis, who has been holding Mr. Paul's Division is to be remunerated for his additional responsibility.

To W. The Govt of India are of opinion that Mr. Paul should leave this

Permanent appointment & pay, for
the period of his privilege leave.
As this is ordered Mr Lewis will
get the pay. but Mr Paul beyond
doubt took privilege leave into
the idea that he would draw full
pay while on leave, and, consequently,
if he had known he would lose pay
he would not have gone on leave.
It seems very hard to cut him
down now. Would it not be well
to accept the Gov's ruling on the
General question, and act here
under the circumstances that Paul
may be given the full pay -
Mr Lewis the ordinary acting division?

If it would be useless
to make such a reference,
and the position must I think
be accepted. Mr Paul
