SEPTEMBER.

District Forest Office at
Coimbatore

Intimating that no funds are at present available for the — and that the work should not be commenced in anticipation of an allotment.

PUBLIC WORKS DEPARTMENT.

6. It is, I believe, contemplated to construct the building by direct departmental agency, supervised and advised by the Executive Engineer when at head-quarters,

ENCLOSURES.

From the Collector of Coimbatore, to the Conservator of Forests, Southern Circle, dated 13th May 1884, No. 201.

I have the honor to forward the plan and estimates for a Forest office at Coimbatore, with the office note of the District Forest Officer on the subject.

North Coimbatore Forests.

Office note by A. W. PEET, Esq., District Forest Officer, dated 12th May 1884—forwarding plan and estimates for Forest offices for North and South Coimbatore.

Plan and estimates returned endorsed. The favor of the Collector's endorsement is requested.
(Initialled) H. J. S.

Mr. Leman approved of an application being made to the Executive Engineer for these plans, and agreed as to the necessity of an office building. The main question is one of cost, but, as the Executive Engineer remarked, it is better to build what is wanted, than to pay half the price and get less accommodation than is actually required.

The present plan gives ample room, I think, the lower side verandahs having been utilised, at my request, as record rooms, for we have thousands of ticket-books, which take up great space but which should be kept under lock and key.

Part of the upper side verandahs I wish to utilise for a Forest museum.
