ORDER—dated 18th March 1884, No. 728 W., Public Works.

As form No. M. 73, "Application for a Reappropriation of Budget Grants," is found to cause unnecessary labor, and is unsuited to the system of work prevailing in the Secretariat, its submission to the Local Government will be discontinued in future.

2. Applications for reappropriations of budget grants should be in letter form, addressed to the Secretary to Government in the branch concerned, and need not be submitted through the Examiner, Public Works Accounts. Reference to budget items affected, with a brief but clear explanation of the grounds of the application, will suffice.

3. Orders authorising transfers of funds will invariably be communicated to Administrative Departments of the Secretariat through whom they will issue to the heads of the departments concerned.
