READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 4th September 1884, No. 1548 K.S. :—

With reference to G.O., No. 1421 W., of the 6th June last, I have the honor to forward, herewith, the draft deed of transfer proposed to be executed by the Nuzvid Zemindar for the land required for the sub-registry office at Gannavaram, and to request you will be good enough to inform me if the land can be accepted on the terms specified in the transfer deed.

2. An English translation of the deed, prepared in the Collector's office, is also forwarded.

3. The area to be taken is only one-fifth acre, the purchase money cannot amount to much, and I should say it would be better to purchase the site outright.

ORDER—dated 22nd September 1884, No. 2338 W., Public Works.

The land may be accepted on the terms specified; or it may be purchased outright if the Zemindar be willing to sell it.

Gannavaram Sub-Registrar's

In accordance with G.O. No. 1421 W.
of 6th June, 1884, S.E. II submits
for order the Draft Deed of Transfer
of site for proposed building.

I am not quite sure whether the
proposed endorsement on back of S.E.'s
letter is correct.

An endorsed endorsement of 26.5.84
to the effect that "the land may be
accepted on the terms indicated"
Chief Secy. noted that a careful
scrutiny of the terms of the deed was
desirable. It seems to me, therefore,
that before passing an order a reference
to the Judicial Dept. may be necessary.

The draft order is marked
for initials by the Secy. —
but it seems to me to
be rather a matter requiring
concurrence of Judicial
Dept.

The note has been
alluded to by Chief Secretary,
who raised the previous
question.
