SIR,

Enclosures.

With reference to your Memorandum No. 1105 D dated 10th Sept 1884, I have the honor to report that the Clerical work of the Bellary Division Office, in connection with the Cantonment and the Military Authorities must, of necessity, be somewhat heavy through out the year, owing to the fact that a large number of Estimates relating to Military Works (Repairs and New Works) have to be prepared and copied, sometimes in duplicate and occasionally extraneous statements &c. have to be compiled in addition to the office work connected with the Administration of Irrigation works and Buildings in two extensive Districts.

Trichinopoly has the more
clerical staff as the Bellary
Divⁿ office, viz 4 clerks,
but there are no European
troops at the former station.

Chingleput Divⁿ Office
(St. Marks' Mount) has four
permanent & 3 temporary
clerks or seven in all.

Cimlabat has 5 permanent
& 3 temporary clerks or eight
altogether. Special establs.
have been sanctioned for
the Presidency & Nilgiri
Divⁿ offices, & no comparison
is therefore made between them
& Bellary.

Bellary is worse
off as regards clerical estab.
than Cimlabat & Chingleput.

For orders with
reference to his note
attached to No 1605 &

the sanction previously
drafted may now
stand.

The explanation
afforded by the S.G.
shows that the heavy
work complained of
is not special to the
present moment

C

Is the Bellary Division worse off
in regard of clerical staff than
other Divisions similarly situated -
for instance Trichinopoly, Chingleput,
Cimlabat? The clerk was asked
for in first instance because the work
"at present" is so heavy - now it would
appear that this is the normal condition.
