GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following letter from Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 8th September 1884, No. 903-C. :—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate below mentioned, which has been approved by the Commander-in-Chief. The estimate has been countersigned :—

1. Estimate, amounting to Rs. 1,200, for laying on Red Hills water to the Government bakery at Madras.
2. With reference to proceedings of Government, No. 3585, dated 28th July 1884, it is observed that, though the work is certainly very desirable, there is no reason adduced by the Commissary-General, why the work should not be provided for in the budget, 1885-86, and carried out during that year.
3. Letter, No. 3130, dated 4th September 1884, from the Commissary-General, with enclosure, is also forwarded.

ENCLOSURES.

From Colonel B. H. W. MAGRATH, Commissary-General, to the Quartermaster-General, dated Madras, 4th September 1884, No. 3130.

I have the honor to forward estimate, amounting to Rs. 1,200, for laying on Red Hills water to the Government bakery at Madras, together with covering letter, No. 2117, of the 2nd instant, from the Superintending Engineer, V Circle, in which he points out that there are no funds at his disposal from which the work can be carried out.

2. There is much sickness now in Madras. It appears to me to be very desirable that the utmost care should be taken with regard to the materials for the soldiers' bread, and that pure water should be laid on to the bakery with the least possible delay.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle, to the Commissary-General, dated Chepák, 2nd September 1884, No. 2117.

With reference to G.O., No. 1720 W., dated 12th July 1884, I have the honor to forward, for disposal under G.O., No. 483 W., dated 21st February 1884, an estimate of Rs. 1,200 for laying down pipes to convey Red Hills water to the Government bakery at Madras. There are no funds at my disposal from which the work can be carried out.
