READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 26th July 1884, No. 359 G.W.

In forwarding for sanction a plan and estimate amounting to Rs. 1,700 for improving the hospital and nursery dormitories, male and female, Lawrence Asylum at Lovedale near Ootacamund, I have the honor to observe that under paragraph 6 of the order of the Government of India printed with G.O., Nos. 1183 W., and 1964 W., of 20th April and 13th July 1883, the works in question cannot be classed under Works, Military.

2. The estimate was prepared at the request of the Principal of the Asylum who has countersigned it. The alterations were proposed by the Consulting Physician to the Asylum, in order to provide hospital accommodation.

3. Copy of a letter from the Quartermaster-General to the General Officer Commanding Bangalore Division, with endorsement of the latter officer No. 1764 of 23rd instant is herewith enclosed for information.

ENCLOSURE.

From Brigadier-General R. C. STEWART, Quartermaster-General, to the General Officer Commanding Bangalore Division, dated Ootacamund, 21st July 1884, No. 722 A.

I have the honor, by order, to return the plan and estimate, amounting to Rs. 1,700, for improving the hospital and nursery dormitories, male and female branches at the Lawrence Asylum, Ootacamund, and to state that improvements or new buildings required for this institution do not come under the head of Works, Military.

The Government of India has, on two previous occasions, declined to sanction any further expenditure on the Lawrence Asylum, Ootacamund, *vide* paragraph 6 of its Proceedings, No. 232 M.W., dated 12th March 1883, republished in G.O., No. 1183 W., dated 20th April 1883, Public Works Department, and also paragraph 6 of its Secretary's letter, No. 542 M.W., dated 14th June 1883, republished in G.O., No. 1964 W., dated 13th July 1883, Public Works Department.

The plan and estimate now returned should be forwarded to the Superintending Engineer of the Circle, for action in the Civil Department.

No. 1764.

Forwarded to the Superintending Engineer, IV Circle, with reference to his No. 218 M., dated 12th instant, for information and return.

Asst. Quartermaster-General.

23rd July 1884.

From Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 3rd September 1884, No. 895 M.W.

I am directed to acknowledge the receipt of your letter, No. 744 A.W., dated 19th March last addressed to the Public Works Department, forwarding for confirmation a copy of the Proceedings of the Government of Madras, No. 191 W., dated

22nd January 1884, sanctioning an estimate, amounting to Rs. 2,650, from Provincial funds, for converting a cattle shed at the Lawrence Asylum, Ootacamund, into a latrine, and constructing a covered passage between it and the Asylum.

2. It is stated that the cost of the work had to be met from Provincial funds, because the Government of India refused to sanction any further outlay on the Lawrence Asylum buildings from Imperial funds.

3. That refusal, I am to explain, was given with reference to the desire of the Local Government to build a new hospital for boys, and was intended to show that in the opinion of the Government of India no further extensive additions were required or would be sanctioned; but there was no intention to prohibit minor alterations and improvements being carried out. The expenditure in question may therefore be charged against the Military Works Grant and should be provided by reappropriation.

ORDER—dated 25th September 1884, No. 2370 W., Public Works.

His Excellency the Governor in Council observes that the restriction which the Government of India imposed on expenditure of Imperial funds in connection with the Lawrence Asylums, Ootacamund, is now explained to have had reference only to "further extensive additions," and was not intended to prohibit "minor alterations and improvements." The outlay of

* G.O., No. 191 W., dated 22nd January 1884. Rs. 2,650 sanctioned * from Provincial funds for converting a cattle shed into a latrine, and for constructing a covered passage, will now be charged to "Military, Original Works," and His Excellency the Commander-in-Chief will be requested to propose a reappropriation of funds to meet the cost.

2. The estimate, amounting to Rs. 1,700, for improving the hospital and nursery dormitories, male and female branches, submitted by the Superintending Engineer, IV Circle, with his letter, No. 359 E.W., dated 26th July 1884, is sanctioned for execution when funds are available.

3. This sanction has been registered as Imperial No. 37 W. of 1884-85, and classified as "Military, Original Works."

NOTE OF REMARKS.

1. This plan and estimate provide for improving the hospital and surgery dormitories, male and female, and for converting the existing latrine into a dwelling house, Lawrence Asylum at Datacamund. The amount of the estimate is Rs. 1,700.
2. A Report has not been submitted.
3. S. E. IV. states in his enclosing letter that the Government of India will not class the works in question under 'works Military' - vide para. b of the order of the Government of India printed with G.O. No. 1183 W of the 20th April/83,

Cir. 15/9

S.O. No. 1964 of the 13th July/03.

4. The estimate has been countersigned by the Principal and Secretary of the Lawrence Asylum.

To Govt.

The Govt of India have declined to sanction any further expenditure on the Lawrence Asylum buildings from Imperial funds, & the question for decision is whether the present estimate shall be sanctioned under Provincial.

So much of the estimate as relates to improvements to the hospital wards might perhaps be looked upon as requiring on military grounds, & treated

treated
as in the case of the work sanctioned in L.O. No. 191 W of 22.1.04. The rest of the work cannot be so regarded.

In L.O. No. 746 W of 19.3.04. the Govt said that an hospital for the boys school should receive the first attention when funds become available under Provincial.

It will be seen also from Prov. 744-744-A W of 19.3.04, that the question whether it is within the competence of the local Govt to sanction Provincial expenditure on a building constructed from Imperial funds, is under reference to the G.O.D. until a reply is received to that reference, it would be as well perhaps to hold over the present estimate.
