ENCLOSURE.

EXTRACT from the Inspection Notes of the Superintending Engineer, III circle, No. 964, dated 12th August 1884.

"Para. 6.—On 29th (July) visited fine old temple at Lapautchy, some 9 miles from Hindupur. At this place there is an enormous stone wall. It measures 30 feet in length by 21 in width, and probably 15 feet high to the top of the wall. It is represented lying down in the usual manner. The temple although unfinished is verine and curious. There are some excellent paintings on the roof which are said to be very old. It does not appear to me, however, likely that they had been done more than 100 years ago."
