1. This estimate provides for reforming and gravelling (re- gravelling) the road-way, and for repairing the masonry tunnels of the Asperi Madavaram road, Adoni Asperi section, in the Bellary District. The estimate amounts to Rs. 5,750.

2. The width to be allowed to the new gravelling is 15 feet; its depth varies from 3 inches to 4 inches.

3. Notwithstanding that the nature of the various descriptions of work proposed to be done, fairly shows that work to be 'Repairs,' still, in the papers submitted the estimate is classed

under 'New Work'. It
must however be noted
that the estimate so
classed, New Work, has
been countersigned by
S.E. III, and by the President
of the L. F. Board.
