

29TH AUGUST 1884, No. 381, MARINE.

GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following paper :—

From T. E. MARSHALL, Esq., Acting Master Attendant, Madras, to the Chief
Secretary to Government, dated Madras, 22nd August 1884, No. 8178.

Administrative department.

With reference to G.O., No. 315, Marine, dated 22nd July 1884, I have the honor to report that on the 16th instant the Government Astronomer removed the electric clock from the Sea Custom-house tower and sent it to Messrs. Orr and Sons for the purpose of being fitted with an additional dial, in order to be put up in the new Telegraph and Post office buildings. Another clock, he states, is to be sent for the tower above mentioned within a fortnight.

2. Referring to the latter part of my letter, No. 7840, dated 14th August 1884, I beg to state that I received intimation from the Executive Engineer, Presidency, on the 20th instant, that the plaster on the pediment in which the Sea Custom-house clock was fixed had been removed, and that the clock could be started again, which I at once communicated to the Government Astronomer.

3. The semaphore is working regularly.

ORDER—dated 29th August 1884, No. 381, Marine.
