GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.

READ—the following papers :—

From Captain C. C. RAWSON, R.E., Executive Engineer, Government Workshops, Dowlaishweram, to the Superintending Engineer, I Circle, dated 18th August 1884, No. 627.

I have the honor to report that Mr. P. Hookins, storekeeper of the Government workshop office, died on the 7th instant.

2. Before filling up the vacancy caused by his death, I have to bring to your notice that Mr. Hookins was a clerk, 3rd class, 2nd grade. The pay this grade carries with it (viz., Rs. 60 to 80) seems to be rather high. I am of opinion that Rs. 50 will be a fair amount. I suggest therefore that the present grade be reduced to 3rd class, 3rd grade.

3. At present the store department is allowed only two lascars, who are not sufficient to meet the demands of that department, especially when the work in the shops is heavy, as at present. Two more lascars for this department will be required on Rs. 6 each. This can be done conveniently out of the savings * that will be effected by the reduction proposed in paragraph 2 above.

* Mean pay of clerk, 3rd class, 2nd grade...	rs. 70
Do. do. do. 3rd ,, ...	55

4. I have therefore the honor to request you will kindly move Government to sanction the above proposals.

5. A comparative statement of the present and proposed scales of establishment is herewith sent.

Endorsement on the above.
