ORDER—dated 28th January 1884, No. 238 W., Public Works.

On consideration of the special circumstances connected with delta superintendents appointed before the 15th June 1874, who, under the old travelling allowance rules, were entitled to fixed allowances of Rs. 21 per month if in the 1st grade, and Rs. 15 per month if in the 2nd grade, the Government resolve, in view of the small number of men affected by the new rules, and the individual hardship inflicted by a sudden withdrawal of an appreciable portion of their small incomes, to raise their pay to a limit which may compensate them in some measure for loss of allowances.

2. The pay of the men so affected will be raised as shown below :—

No. 2600 K.S.

Superintending Engineer's Office,
2nd Circle, Camp Bedalayanam
18th January 1884.

From

The Superintending Engineer,
2nd Circle.

To

The Chief Engineer,
Public Works Department.

Sir,

I have the honor to acknowledge the
receipt of your Memo No. 2526 C. of the 17th
Ultimo, regarding the Travelling allowance of
Delta Superintendents appointed prior to the 15th
June 1874.

2. It is stated, that Delta Superintendent
Kissen Singh is the only man of this class in
the Kistna District.

3. Kissen Singh retired on an invalid
pension about 6 months ago, but there is
one other Delta Superintendent, M. Shaikh
Hussain Lahib in the Kistna Eastern Division
who was appointed prior to 15th June 1874.

4. For some reason, which I cannot under-
stand, travelling allowance under the old
rules was never claimed for this man; but
in the Bill of the Eastern Division for the

month of November 1883, the Executive Engineer claimed Travelling allowance for this man.

I did not pass it pending explanation as to why this new claim was preferred. In reply, Mr Grant, states, that Travelling allowance was not claimed, for Shaikh Hussain, as until the issue of G.O. No. 2011 W of the 20th July 1883, there was no authority under which the allowance could be claimed.

5. The Executive Engineer is mistaken in this matter, as all the older Delta Superintendents draw batta at $\frac{5}{10}$ of their pay, during absence from Head Quarters. It seems probable therefore that Shaikh Hussain's right to draw Travelling allowance had been lost sight of.

6. I have mentioned the above facts, to explain the probable reason for the omission of Shaikh Hussain's name from the list of Delta Superintendents, entitled to draw Travelling allowance, which was furnished by the Examiner, Public Works Accounts.

7. In regard to the particular point under reference however, I would beg to state, that Delta Superintendent Shaikh Hussain is an unpassed man, who although he is holding a post of which the salary is

Rs 40 draws only Rs 19-8-0 per mensem. It would not I conclude be possible to increase this man's pay to more than this sum, as the Examination Rules forbid it. 238/3

8. As the allowance to which this Delta Superintendent would otherwise have been entitled has been so long foregone, no real hardship would be inflicted by withholding it permanently. But I would recommend that allowance be passed to him, at the rate he would be entitled to under Section 30(d) of the Civil Travelling allowance Code.

I have the honor to be,

Sir,

Your most Obedt Servant.
