Sir,

In forwarding herewith copies of correspondence noted in the margin I have the honor to point out that the Delta Superintendents Mr D. H. Jackson and C. Seetharammudu have in fact lost the privilege of drawing permanent Travelling allowance of 3/4 of their salary from 1st April 1883, from which date the new Travelling allowance code came into force, and that the Travelling allowances they have drawn according to the new rules at 2 As per every Rs 12½ were far less than the permanent allowance To compensate this loss Government has been pleased to raise their pay in G.O. No 238 W of 28th January last as noted in the margin. The Examiner passed the increased rate of pay from the date

Mr Jackson from No 70 to 83
C Seetharammu from No 55 to 60

of the order viz 28th January 1884, but declines to pass without the orders of Govt; their increase from 1st April 1883, though claimed as suggested by you in your No. 3428 G.O. of 2nd March 1884. I request therefore that you will be so good as to move Government to give retrospective effect to G.O. No. 238 W of 28th January 1884 from 1st April 1883.

On consideration of the special circumstances connected with delta superintendents appointed before the 15th June 1874, who, under the old travelling allowance rules, were entitled to fixed allowances of Rs. 21 per month if in the 1st grade, and Rs. 15 per month if in the 2nd grade, the Government resolve, in view of the small number of men affected by the new rules, and the individual hardship inflicted by a sudden withdrawal of an appreciable portion of their small incomes, to raise their pay to a limit which may compensate them in some measure for loss of allowances.
