26TH SEPTEMBER 1884, No. 2398 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepák, 22nd September 1884, No. 1030 :—

In continuation of my letter, No. 948, dated 6th September 1884, I have the honor to request that you will be good enough to sanction an allotment of Rs. 14,000 to enable me to complete all the School of Arts building (excepting the Superintendent's quarters) sanctioned in G.O., No. 2132 W., dated 29th August 1884.

2. The amount originally applied for (viz., Rs. 8,000) provided for only a portion of the work then proposed to be carried out during the current official year. But I have been now informed that the Superintendent is going away shortly, and that he will return towards the close of the official year. It is therefore very desirable that this favorable opportunity should be taken advantage of and the work at the school pushed on to completion during his absence on leave, when of course the classes do not assemble.

3. If, in the circumstances mentioned above, you are pleased to grant my request, I shall make sure of carrying out the work and completing it before the close of this official year.

ORDER—dated 26th September 1884, No. 2398 W., Public Works.

An allotment of Rs. 8,000 was made in G.O., No. 2300 W., dated 18th September 1884, for expenditure on alterations and improvements to the School of Arts buildings at Madras, and the Government regret that no funds are available at present to admit of this grant being increased. If possible, a further appropriation will be made later in the year.
