READ—the following letter from R. B. BUCKLEY, Esq., Officiating Under Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 18th September 1884, No. 353-B:—

I am directed to acknowledge the receipt of your letter, No. 1958 W., Public Works, dated 11th August 1884, forwarding, for confirmation, copy of proceedings of the Government of Madras prescribing 6 per cent. on the capital cost of a building as the maximum charge for rent.

2. In reply, I am to state that the Government of India is not satisfied that $1\frac{1}{2}$ per cent. on the cost of a building will always cover the cost of repairs and maintenance, as experience in other parts of India indicates that the average cost under those heads is fully double that percentage.

3. I am to add that the Government of India is not prepared to fix any maximum rental for public buildings occupied by its officers of other than subordinate ranks, whose case is met by the provisions of the Public Works Code, except that which may be determined by the calculation of $7\frac{1}{2}$ per cent. on the cost.

ORDER—dated 2nd October 1884, No. 2429 W., Public Works.
Communicated to the Public Department, for reconsideration of order in that department, No. 1330, dated 18th June 1884.
