Sir,

Enclosures.

- 1 Estimate
- 2 Drawings
- 1 copy of letter from
Sec. Engr. Madras

On receipt of P. W. D. G. O. No. 2180 W dated 3rd Instant, I wired to the Executive Engineer Madras to stop the work and beg to enclose copy of his reply from which you will see that Rupees 1094 have already been expended on the canopy. I have therefore ordered him to complete it.

2. The canopy was designed by Mr. Chisholm at Madras and the height appears to have been regulated by the space which it was intended to cover viz. 29 x 36 feet and to be in keeping with the large judge's Court. It is to cover not only the judge's seat, but also those of the pleaders, and the punkahs are to be suspended from it.

3. I enclose a section of the Court room shewing the canopy as well as a plan shewing the extent which the canopy will cover.

4. I took the liberty of ordering the work to be

commenced as the judge complained that the
noise in his Court caused by the Echo was making
him deaf (he was deaf at the time) and the place
was very hot for want of punkahs I was really
afraid that the judge might seriously suffer
for want of some protection. This canopy had
been asked for for 2 years.

5. I trust under these circumstances I may
be excused for having taken on myself to order
the work.

Sir,

With reference to your letter No. 909 of 2-9-84,
I have the honor to inform you that the canopy
work has been stopped. The outlay incurred to
end of August 1884 is Rs. 754 and the value
of materials taken over together with the balance
due amounts to Rupees 340 which will have
to be paid and the contractor's account
closed, as the expenditure thus incurred will
be objectionable for want of an Estimate.
I request you will be good enough to obtain
the sanction of Government to the amount
spent, Rs. 1094.

I have the honor to be
