SIR,

Enclosures.

I have the honor to inform you that after my late inspection of the Sub Divisional Officer's Bungalow at Anantapur, I came to the conclusion that it would be necessary to recommend his being provided with a more suitable Bungalow and to convert the existing Building into the Sub Divisional Office where accommodation can be made available for the Tools and Plant of the Range and some portion of the Famine Tools of the District.

2. I would beg to recommend that a Building after the plan of that about to be submitted for approval and sanction for the accommodation of the Apothecary and Police Superintendent of Anantapur may be sanctioned as a part of the Anantapur Building Project, as it is essential that the Sub Divisional Officer should be as well housed as the Civil Subordinates.

Estimate amount Rs 3500/-

(Rs 6567 for 5 houses)
