From Lieutenant-Colonel T. K. GUTHRIE, Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 5th September 1884, No. 5029.

With reference to endorsement, No. 1653, of the 24th ultimo, I have the honor to forward a letter from the Superintendent of Police, Coimbatore, with its enclosures, stating that Messrs. Stanes and Co. have now reduced the price of their bungalow with outhouses at Nellakóta, South-East Wynaad, from Rs. 3,000 to Rs. 2,500. I support the superintendent's proposal to purchase the building, and would suggest that the title to the land, which is leased out to the present holders by the Neelialim Rajah, may be at once secured.

ENCLOSURE.

From Lieutenant-Colonel H. W. BLAIR, Superintendent of Police, Coimbatore, to the Inspector-General of Police, dated Coimbatore, 30th August 1884, No. 529.

With reference to your memorandum, No. 4317, dated 29th July 1884, enclosing copy of Superintending Engineer's letter, I have the honor to state that I again addressed Messrs. Stanes and Co. on the subject, and enclose copy of their letter to me; and as the Superintending Engineer recommended that (even at the former rate) the building should be purchased, and in which I fully agreed with him, I consider now without doubt that, for the sum of Rs. 2,500, the building and land should be purchased without delay. I enclose copy of my letter to the Collector, Nilgiris, together with his reply, also letter to Deputy Superintendent, Revenue Survey. The tenure on which we are to hold the land should very necessarily be settled first.

From the Acting Inspector-General of Police, dated Madras, 9th September 1884, No. 5108.

ABSTRACT.—Forwards a letter from the Superintendent of Police, Coimbatore, with enclosures, and requests that they may be attached to letter, No. 5029, of the 5th instant, on the subject of the purchase of the "Pearl bungalow" at Nellakóta, South-East Wynaad.

ORDER—dated 18th September 1884, No. 2393, Judicial.

Before sanctioning the purchase of the bungalow at Nellakóta, the Government desire to have before them the estimates for the necessary additions and improvements to the building. These will be prepared by the Public Works department in communication with the Superintendent of Police. The question of title will be inquired into and reported on by the Collector. In the meanwhile, if the Police are in urgent need of accommodation at Nellakóta, the building may be rented at once for their use.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV circle, to the Chief Engineer, Public Works department, dated Vellore, 26th June 1884, No. 311-G.W.

As directed in G.O., No. 1441 W-A, of 9th instant, I have the honor to report that Sub-Engineer Chinnatamby Pillay inspected the Pearl bungalow, and from his description the accompanying valuation estimate, amounting to Rs. 2,531, was prepared.

2. The Executive Engineer states that the Pearl bungalow appears to have been built in a "rough and ready manner," and that though "from police point of view it would be an advantage to at once obtain a building, still in the long run," Mr. Larminie thinks, "that it would be much better to erect pukka buildings."

3. The Sub-Engineer points out that the walls have only six inches of foundation and one foot of basement; that the foundations and basement only are built with chunam; that the rest is brick in mud with thick joints; that there are cracks in the walls; that the pandal is in an unsafe state; and the doors of the outhouses eaten up by white-ants. He thinks that the godowns would only be sufficient for two constables, and observes they are within twelve feet of the main building.

4. My own opinion is that 3,000 rupees is a high price for the property, even allowing for the good situation near the high road, and that possibly the rates provided in Mr. Larminie's valuation are too low; but that, considering the difficulty of obtaining labor and materials in the Wynaad, and that the Police department is in urgent need of shelter, it is advisable to make the purchase.

5. The Inspector-General of Police is, however, mistaken in supposing that, at a cost of Rs. 3,000, he is to get accommodation equal in any respect to what was estimated to cost Rs. 7,710. The probability is that a large part of the difference of Rs. 4,710 will be needed for additions and improvements.

No. 1202 C.

Referred to the Judicial department for orders, whether the acquisition of the property shall be effected at the price named by Messrs. Stanes and Co.

CHEPÂK,
2nd July 1884.
