8TH OCTOBER 1884, No. 2486 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from Major J. L. L. MORANT, R.E., Officiating Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepāk, 22nd September 1884, No. 1027 :—

I have the honor to submit, for sanction and appropriation of funds, an estimate, amounting to Rs. 3,869, for renewing the teak joists in the map rooms of the Revenue Survey office and for supporting the beams with stone corbels inserted in the walls and a cast-iron column in the centre. This portion of the building is very old, having been constructed by the late Nabob of the Carnatic, and the timbers are affected by dry rot. Their state was brought to my notice by the Superintendent of the Revenue Survey.

2. As the roof is, in my opinion, in a very dangerous state, and as the room is crowded with valuable maps, and its resumption is much required by the Revenue Survey authorities, I have ordered the immediate execution of the work in anticipation of sanction.

ORDER—dated 8th October 1884, No. 2486 W., Public Works.

The estimate, amounting to Rs. 3,869, for renewing the roof of the map rooms attached to the building occupied by the Revenue Survey office at Chepāk, is sanctioned, and the amount is appropriated from the reserve with Government.

2. This sanction has been registered as Provincial No. 167 W. of 1884-85, and classified as Civil Buildings, Original Works.
