ORDER THEREON, 12th July 1880, No. 1,636 W.

No. 55.

THE recent reduction in the numbers of office subordinates employed in the Public Works Department, and the alteration in their classification from a scale of fixed salaries to a graded scale with annual increments of salary, has led to numerous questions regarding the salaries to be drawn by individuals, and it appears desirable that rules should be laid down by which these and similar questions which may arise in future may be decided.

2. The ordinary rule for the transfer of individuals from fixed salaries to a graded scale is that men so transferred shall commence upon the minimum salary of their new grades, but it is not considered that this rule is applicable to the case of a whole body thus transferred, or that its application in the present case would be fair to individuals.

3. The following rules will therefore be followed :—

1st.—A clerk or draughtsman whose salary previous to the recent re-organization was equal to or less than the minimum of his new grade will draw that minimum and be eligible to the first increment from the 1st April 1881, provided he was appointed to his new grade on or before the 1st April 1880.

2nd.—A clerk or draughtsman whose former salary was more than the minimum and not more than the maximum of his new grade may draw the salary to which he would have been entitled had he been appointed to the minimum of that grade on the 1st April immediately succeeding the date of his actual appointment or promotion to his former post, and had received the regular increments from such 1st April, subject to the following provisos—

(*a*), if the amount so arrived at be less than his former salary, he will continue to draw that salary until such time as it is exceeded by the minimum of grade *plus* annual increments calculated as above;

3

(*b*), if the amount so arrived at be equal to or more than his former salary, he will draw that salary for the current year and be eligible to his first further increment from 1st April 1881;

(*c*), he cannot draw more than the maximum of his new grade.

3rd.—A clerk or draughtsman whose former salary was greater than the maximum of his new grade will draw that maximum *plus* a personal allowance sufficient to make up his salary to that which he formerly drew.

4. This latter rule will apply to peons and lascars the pay of whose posts has been reduced under recent orders; such reduction will not affect men employed previous to 1st April 1880.

5. The above rules will take effect from 1st April 1880; their application to individuals will be settled by the Examiner in communication with Superintending and Executive Engineers, lists being submitted to the former officer showing the salary drawn by each individual previous to 1st April last, the date of his appointment to such salary, his present grade, and the salary and personal allowance (if any) to be drawn by him for the current year. Doubtful cases, if any such occur, should be referred to Government for decision.

6. It should be understood that the annual increments provided by the Code are given for approved service only, and that the authority for deciding upon claims to such increments is the authority by whom the original appointment was made; in the case of men coming under the second of the rules in paragraph 3 of this order, it is open to appointing officers to refuse the grant of future increments raising the salary of any individual beyond that which he drew previous to 1st April.

7. Future appointments will in all cases be made to specified grades, and men so appointed will commence on the minima of their grades and count service for increments (subject to the provisions of the last paragraph) from the 1st of the month following the date of their actual appointment.

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

Adverting to your telegram of the 2nd May 1884, conveying sanction, for one year, to the proposal to nominate three selected Assistant Engineers of the permanent establishment for three of the authorised temporary posts which have not yet been filled, I am directed to forward, for the information of the Government of India, a copy of the proceedings of this Government, No. 1295 W., dated 23rd May 1884, promoting three officers to the posts referred to.

2. I am, at the same time, with advertence to Government of India letter, No. 37 G., dated 8th January 1884, to forward, for the sanction of the Government of India, the names of the upper subordinates named below, for appointment as temporary Assistant Engineers, to take the places of the three officers of the permanent establishment who have been detached for temporary duty:—

T. T. Raghavachariyar, B.A., B.C.E., Sub-Engineer, 3rd Grade.
R. Vaidyanatha Aiyar, B.A., B.C.E., Supervisor, 1st Grade.
