9TH OCTOBER 1884, No. 2497 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepak, 2nd October 1884, No. 2539 :—

I have the honor to surrender the following allotments under Provincial for 1884-85 :—

	Surrender of Grant. RS.
1. Providing lightning conductor to the Government Central Museum. Budget item 36	2,850
2. Planking the ceilings of St. George's Cathedral. From Rs. 3,452, sanctioned in G.O., No. 1889 W., dated 4th August 1884	1,678
2. The estimate for the first work is under revision, and the current year's grant is thus not likely to be spent. The Venerable the Archdeacon and Trustees asked that the work might be suspended, because when funds were granted the Church was already filling up, and there would be great inconvenience in providing accommodation elsewhere. Hence it is proposed to prepare the wood, but not to put it up till the Government leave Madras early in next official year.	

ORDER—dated 9th October 1884, No. 2497 W., Public Works.

The following sums are resumed, and added to the Provincial reserve with Government :—

	RS.
Providing lightning conductor to the Government Central Museum. Budget item No. 36	2,850
Planking the ceilings of St. George's Cathedral	1,678
Total	4,528
