*Resolution*—dated 26th November 1883, No. 3580.

The Board resolve to submit to Government the budget estimate of receipts and charges of the Special Local Funds under their control for 1884-85. The following statements are appended as usual :—

*Appendix I.*—Statement showing the actual receipts and charges of the Special Local Funds for the last five years.

*Appendix II.*—Statement showing in one view the estimated receipts and charges of each fund for 1884-85 compared with those of the current year.

*Appendix III.*—The estimated receipts and charges of each fund in each district for 1884-85.

2. The Canal and Ferry Fund budget was submitted to Government with Board's Proceedings, dated 31st October 1883, No. 3264. The regular and budget estimates of the other funds will now be reviewed.

### REGULAR ESTIMATE FOR 1883-84.

3. The figures furnished by the Accountant-General have been adopted for the opening balances of the regular estimate. These being less than the sums given for the Pound Fund by the Collectors of the marginally-noted districts, the transactions of the fund in those districts close in deficit according to the Collectors' estimates of receipts and charges. The Board have therefore reduced the contributions to the Local and Municipal Funds and to Agricultural Services in the districts referred to, in order to equalize the expenditure with the available assets.

South Arcot.
Godávari.
Kurnool.

4. According to the regular estimate, the receipts and charges of the Village Service Fund exceed the budget estimate by Rs. 60,070 and Rs. 81,580, respectively, due in the former case chiefly to the extension of the Village Service Cess Act to the South Canara District under G.O., Revenue Department, dated 17th November 1882, No. 1265, and in the latter to the revision of the village establishment in that district concurrently with the introduction of the Act, and to the payment of the arrears of salaries in the South Arcot District. In Nellore, the expenditure includes Rs. 21,453 transferred to Provincial Funds under Board's Proceedings, dated 17th October 1883, Mis. No. 8615, in part payment of the debt contracted in 1879-80 and 1880-81 to meet the deficits of those years.

Budget Estimate for 1884-85.

5. *Cattle Pound Fund.*—The opening balance of this fund is Rs. 12,930, and the estimated receipts amount to Rs. 2,13,360, making a total of Rs. 2,26,290. The expenditure is Rs. 2,13,950, including a contribution of Rs. 53,200 to Agricultural Services and to Local and Municipal Funds as shown below :—

| | Regular Estimate, 1883-84. | Budget Estimate, 1884-85. |
|---|---|---|
| | Rs | Rs. |
| Agricultural Services ... ... ... ... ... | 31,560 | 26,600 |
| Local Funds... ... ... ... ... ... ... | 29,580 | 24,685 |
| Municipalities ... ... ... ... ... ... | 1,980 | 1,915 |
| Total ... | 63,120 | 53,200 |

Larger sums than in the current year being proposed to be expended on the improvement of pounds, a smaller amount is available for transfer to Agricultural Services, &c.

6. In the Tanjore budget, a provision of Rs. 1,200 is made for salaries of taluk gumastahs, against Rs. 960, entered in the current year's budget for eight gumastahs. The Collector is requested to state whether any additional gumastahs are required. The necessity for them should also be explained.

7. *Village Service Fund.*—The estimated receipts of this fund are Rs. 31,88,800. With the opening balance of Rs. 15,07,920, the assets of the year amount to Rs. 46,96,720. The expenditure is Rs. 31,48,200, leaving a balance of Rs. 15,48,520 at the close of the year. The items composing the total receipts and charges are as follows :—

| Items. | Budget, 1883-84. | Budget, 1884-85. |
|---|---|---|
| *Receipts.* | Rs. | Rs. |
| 1. Cess collected under Act IV of 1864 .. .. .. | 13,52,500 | 14,39,060 |

| 3. Deductions from land revenue credited to this fund for payment of the village establishment .. .. | 9,59,850 | 9,18,630 |
| 4. Quit-rent on enfranchised inams .. .. .. | 6,50,180 | 6,26,070 |
| 5. Interest on Government Promissory Notes .. .. | 34,696 | 34,670 |
| 6. Interest on arrears .. .. .. .. .. | 1,040 | 1,930 |
| 7. Miscellaneous receipts .. .. .. .. .. | 18,584 | 49,930 |
| Total .. | 31,12,700 | 31,88,800 |
| *Charges.* | | |
| 1. Establishment at Collectors' Offices .. .. .. | 140 | 330 |
| 2. Village establishment .. .. .. .. .. | 31,11,600 | 30,97,860 |
| 3. Construction and repair of village chavadies .. | 15,500 | 47,000 |
| 4. Construction of ghat huts .. .. .. .. | 1,000 | 1,000 |
| 5. Miscellaneous charges .. .. .. .. .. | 1,870 | 2,010 |
| Total .. | 31,30,110 | 31,48,200 |

8. The variations in the several items of receipt and expenditure are explained below :—

*Receipts—Item* 1.—The increase under this head occurs chiefly in the North Arcot, South Canara and Tinnevelly districts. In North Arcot, it is proposed to extend the Village Service Cess Act to the Arcot Taluk from the current fasli. In South Canara, its introduction has, as already stated, been sanctioned in G.O., dated 17th November 1882, No. 1265, Revenue Department. The Collector of Tinnevelly has raised the estimate for the current and ensuing years with reference to the actual collections of last year.

*Item* 2.—The increase is in the Kistna District. The Collector has entered Rs. 21,000 as "cesses collected over and above the land assessment," against Rs. 950 entered under that head in the current year's budget. He is requested to explain the nature of the receipts and the cause of the large increase.

*Item* 3.—The decrease under this head appears in two districts—Rs. 24,000 in North Arcot and Rs. 16,000 in South Arcot. In the former, deductions from land revenue in the Arcot Taluk have ceased from the date of introduction of the new settlement, and in the latter, the estimate has been reduced with reference to the decrease in the estimate of land revenue collections.

*Items 4 and 7.*—The decrease in the fourth item and the increase in the seventh are for the most part nominal, being due to the assessment on escheated and relinquished Village Service Inams in Kurnool being now credited to "Miscellaneous Receipts" instead of to "Quit-rent on enfranchised Inams."

*Expenditure—Item* 2.—There is a decrease of Rs. 13,740 in salaries of village establishments, resulting chiefly from a decrease of Rs. 20,000 in South Arcot and Rs. 40,770 in Chingleput, and an increase of Rs. 43,300 in South Canara. The decrease in South Arcot is due to the falling off in the receipts under beriz deductions, the whole of which is paid to the village officers. In the Chingleput budget for the current year, provision was made for increased salaries to village servants, but in the budget for the ensuing year, only the cost of the establishment according to the sanctioned scale is provided for, as it is presumed that some time will elapse before the revised scale is sanctioned for the district. The Collector has submitted a model scheme for the Tiruvallúr Taluk, and it has been referred to the Director of Revenue Settlement for opinion. The increase in South Canara is due, as in the regular estimate, to the revision of the village establishment.

*Item* 3.—The increase under this item is due to the Collector of Kistna having entered Rs. 40,000 for the construction of village chavadies, against Rs. 10,000 in the current year.

9. The large balances in favor of the districts of Chingleput, Godávari, Tinnevelly and Trichinopoly have been noticed in Board's Proceedings, dated 26th November 1883, No. 3579.

10. *Endowment Fund.*—The estimated receipts of this fund, including the opening balance, amount to Rs. 18,570, and the expenditure to Rs. 14,370, leaving a balance of Rs. 4,200 at the end of the year. Out of the eleven institutions reported upon in paragraphs 17 to 19 of Board's Proceedings, dated 11th August 1883, No. 2340, six have been transferred to the Local Fund Boards concerned, or to trustees. The transactions in the budget relate to the institutions mentioned below :—

| | |
|---|---|
| Anantapur ... ... | Munro chattram. |
| | Munro dispensary. |
| Kurnool ... ... | Munro tope. |
| Nflgiris... ... ... | Brahmin chattram. |
| Tinnevelly ... ... | Kovilpatti do. |

11. The allotment of Rs. 170 for the Brahmin chattram at Ootacamund, against Rs. 120 in the current year, includes a provision of Rs. 50 for its repair. In his letter, dated 22nd October 1883, No. 691, the Collector of Tinnevelly states that the

Kovilpatti chattram is the only one in the district remaining under Government management, and that it will be made over to the trustee at the end of 1884 (*vide* Board's Proceedings, dated 13th September 1879, No. 2606).

12. *Irrigation Cess Fund.*—The estimated receipts of this fund, together with the opening balance, amount to Rs. 77,750, and the charges to Rs. 50,970, leaving a balance of Rs. 26,780 at the end of the year. The expenditure is made up of the following items:—

| | Rs. |
|---|---|
| Irrigation establishment ... ... ... ... | 27,700 |
| Repair and improvement of channels ... ... ... | 22,000 |
| Proportionate cost of Collector's office establishment ... ... | 120 |
| Miscellaneous charges ... ... ... ... ... | 1,150 |
| Total ... | 50,970 |

13. In the Coimbatore budget statement, an allotment of Rs. 14,000 is entered for the repair of irrigation channels, against Rs. 1,000 in the budget for the current year. The former amount appears to include provision for the construction of masonry sluices. As Government have decided, in G.O., Revenue Department, dated 13th September 1883, No. 1126, that this is not a proper charge on the Irrigation Cess Fund, the Collector is requested to submit other proposals in lieu of it.

14. The Board regret that, owing to the district budgets not having been received in time, there has been delay in the submission of this budget. The date of its submission to Government having been altered from 5th January to 15th October, Collectors were requested to submit their budgets to the Board by 1st September. But the last budget * was received only on 22nd October. The Board hope that there will be no delay in future.

* Tinnevelly.

Order—dated 11th January 1884, No. 52, Revenue.

Miscellaneous.

With the foregoing proceedings the Board of Revenue submit the budget estimate of receipts and charges of the Special Local Funds under their control for 1884-85.

2. The receipts under all heads, including the opening balances, are estimated to aggregate Rs. 53,04,350 and the charges Rs. 36,59,030, leaving a balance of Rs. 16,45,320 as particularised below :—

| —— | Opening Balance. | Receipts. | Total. | Charges. | Closing Balance. |
|---|---|---|---|---|---|
| | Rs. | Rs. | Rs. | Rs. | Rs. |
| 1. Canal and Ferry Fund .. .. .. .. | 1,31,450 | 1,53,570 | 2,85,020 | 2,31,540 | 53,480 |
| 2. Cattle Pound Fund .. .. .. .. | 12,930 | 2,13,360 | 2,26,290 | 2,13,950 | 12,340 |
| 3. Village Service Fund .. .. .. .. | 15,07,920 | 31,88,800 | 46,96,720 | 31,48,200 | 15,48,520 |
| 4. Endowment Fund .. .. .. .. .. | 4,700 | 13,870 | 18,570 | 14,370 | 4,200 |
| 5. Irrigation Cess Fund .. .. .. .. | 41,570 | 36,180 | 77,750 | 50,970 | 26,780 |
| Total .. | 16,98,570 | 36,05,780 | 53,04,350 | 36,59,030 | 16,45,320 |

3. Canal and Ferry Fund.—The budget estimate of this fund was separately disposed of by G.O., 17th November 1883, No. 1421. The opening balance for 1884-85 is now shown as Rs. 1,31,450 against Rs. 1,25,440 previously adopted by the Board and accepted by Government. This discrepancy which occurs in the figures against the Godávari district should have been explained.

4. Cattle Pound Fund.—The assets and charges of this fund for 1884-85 are estimated to amount respectively to Rs. 2,26,290 and Rs. 2,13,950, against Rs. 2,17,020 and Rs. 2,06,680 for the current year. The charges consist of—

| | 1883-84. | 1884-85. |
|---|---|---|
| | Rs. | Rs. |
| Construction and repair of pounds as well as pound establishments ... ... ... ... ... | 1,45,443 | 1,60,750 |
| Contribution to Agricultural services ... ... ... | 30,618 | 26,600 |
| Do. to Municipalities ... ... ... ... | 1,714 | 1,915 |
| Do. to Local Funds ... ... ... ... | 28,905 | 24,685 |
| Total ... | 2,06,680 | 2,13,950 |

The smaller contribution to agricultural services in 1884-85, as compared with that of the current year, is due to the larger provision made for the improvement of pounds. This is as it should be, and is approved. The increased provision for the Pound Fund gumastas in Tanjore will be retained pending receipt of the further explanation called for from the Collector.

5. Village Service Fund.—The estimated receipts and charges of this fund for 1884-85 are pretty equally balanced, the former amounting to Rs. 31,88,800 and the latter to Rs. 31,48,200, leaving a balance of Rs. 40,600. This, with the large accumulated balance to the credit of the fund at the beginning of the year, will aggregate Rs. 15,48,520 at its close. The balances are large in Chingleput, Godávari, Tinnevelly and Trichinopoly, and the Board's proposals for utilising them should be expedited.

*Vide* Board's Proceedings, 26th November 1883, No. 3579, paragraph 6.

6. The transactions under the remaining two funds are limited in their nature and are likely to disappear from the category of Special Local Funds at no very

distant date. The estimates under these heads, as well as those already noticed, are approved and sanctioned.

*Resolution*—dated 26th November 1883, No. 3580.

The Board resolve to submit to Government the budget estimate of receipts and charges of the Special Local Funds under their control for 1884-85. The following statements are appended as usual :—

*Appendix I.*—Statement showing the actual receipts and charges of the Special Local Funds for the last five years.

*Appendix II.*—Statement showing in one view the estimated receipts and charges of each fund for 1884-85 compared with those of the current year.

*Appendix III.*—The estimated receipts and charges of each fund in each district for 1884-85.

2. The Canal and Ferry Fund budget was submitted to Government with Board's Proceedings, dated 31st October 1883, No. 3264. The regular and budget estimates of the other funds will now be reviewed.

Regular Estimate for 1883-84.

3. The figures furnished by the Accountant-General have been adopted for the opening balances of the regular estimate. These being less than the sums given for the Pound Fund by the Collectors of the marginally-noted districts, the transactions of the fund in those districts close in deficit according to the Collectors' estimates of receipts and charges. The Board have therefore reduced the contributions to the Local and Municipal Funds and to Agricultural Services in the districts referred to, in order to equalize the expenditure with the available assets.

South Arcot.
Godávari.
Kurnool.

4. According to the regular estimate, the receipts and charges of the Village Service Fund exceed the budget estimate by Rs. 60,070 and Rs. 81,580, respectively, due in the former case chiefly to the extension of the Village Service Cess Act to the South Canara District under G.O., Revenue Department, dated 17th November 1882, No. 1265, and in the latter to the revision of the village establishment in that district concurrently with the introduction of the Act, and to the payment of the arrears of salaries in the South Arcot District. In Nellore, the expenditure includes Rs. 21,453 transferred to Provincial Funds under Board's Proceedings, dated 17th October 1883, Mis. No. 8615, in part payment of the debt contracted in 1879-80 and 1880-81 to meet the deficits of those years.

Budget Estimate for 1884-85.

5. *Cattle Pound Fund.*—The opening balance of this fund is Rs. 12,930, and the estimated receipts amount to Rs. 2,13,360, making a total of Rs. 2,26,290. The expenditure is Rs. 2,13,950, including a contribution of Rs. 53,200 to Agricultural Services and to Local and Municipal Funds as shown below :—

| | Regular Estimate, 1883-84. | Budget Estimate, 1884-85. |
|---|---|---|
| | Rs | Rs. |
| Agricultural Services ... ... ... ... ... | 31,560 | 26,600 |
| Local Funds... ... ... ... ... ... ... | 29,580 | 24,685 |
| Municipalities ... ... ... ... ... ... | 1,980 | 1,915 |
| Total ... | 63,120 | 53,200 |

Larger sums than in the current year being proposed to be expended on the improvement of pounds, a smaller amount is available for transfer to Agricultural Services, &c.

6. In the Tanjore budget, a provision of Rs. 1,200 is made for salaries of taluk gumastahs, against Rs. 960, entered in the current year's budget for eight gumastahs. The Collector is requested to state whether any additional gumastahs are required. The necessity for them should also be explained.

7. *Village Service Fund.*—The estimated receipts of this fund are Rs. 31,88,800. With the opening balance of Rs. 15,07,920, the assets of the year amount to Rs. 46,96,720. The expenditure is Rs. 31,48,200, leaving a balance of Rs. 15,48,520 at the close of the year. The items composing the total receipts and charges are as follows :—

| 5. Miscellaneous charges .. .. .. .. .. | 1,870 | 2,010 |
| Total .. | 31,30,110 | 31,48,200 |

8. The variations in the several items of receipt and expenditure are explained below :—

*Receipts—Item* 1.—The increase under this head occurs chiefly in the North Arcot, South Canara and Tinnevelly districts. In North Arcot, it is proposed to extend the Village Service Cess Act to the Arcot Taluk from the current fasli. In South Canara, its introduction has, as already stated, been sanctioned in G.O., dated 17th November 1882, No. 1265, Revenue Department. The Collector of Tinnevelly has raised the estimate for the current and ensuing years with reference to the actual collections of last year.

*Item* 2.—The increase is in the Kistna District. The Collector has entered Rs. 24,000 as "cesses collected over and above the land assessment," against Rs. 950 entered under that head in the current year's budget. He is requested to explain the nature of the receipts and the cause of the large increase.

*Item* 3.—The decrease under this head appears in two districts—Rs. 24,000 in North Arcot and Rs. 16,000 in South Arcot. In the former, deductions from land revenue in the Arcot Taluk have ceased from the date of introduction of the new settlement, and in the latter, the estimate has been reduced with reference to the decrease in the estimate of land revenue collections.

*Items* 4 *and* 7.—The decrease in the fourth item and the increase in the seventh are for the most part nominal, being due to the assessment on escheated and relinquished Village Service Inams in Kurnool being now credited to "Miscellaneous Receipts" instead of to "Quit-rent on enfranchised Inams."

*Expenditure—Item* 2.—There is a decrease of Rs. 13,740 in salaries of village establishments, resulting chiefly from a decrease of Rs. 20,000 in South Arcot and Rs. 40,770 in Chingleput, and an increase of Rs. 43,300 in South Canara. The decrease in South Arcot is due to the falling off in the receipts under beriz deductions, the whole of which is paid to the village officers. In the Chingleput budget for the current year, provision was made for increased salaries to village servants, but in the budget for the ensuing year, only the cost of the establishment according to the sanctioned scale is provided for, as it is presumed that some time will elapse before the revised scale is sanctioned for the district. The Collector has submitted a model scheme for the Tiruvallúr Taluk, and it has been referred to the Director of Revenue Settlement for opinion. The increase in South Canara is due, as in the regular estimate, to the revision of the village establishment.

*Item* 3.—The increase under this item is due to the Collector of Kistna having entered Rs. 40,000 for the construction of village chavadies, against Rs. 10,000 in the current year.

9. The large balances in favor of the districts of Chingleput, Godávari, Tinnevelly and Trichinopoly have been noticed in Board's Proceedings, dated 26th November 1883, No. 3579.

10. *Endowment Fund.*—The estimated receipts of this fund, including the opening balance, amount to Rs. 18,570, and the expenditure to Rs. 14,370, leaving a balance of Rs. 4,200 at the end of the year. Out of the eleven institutions reported upon in paragraphs 17 to 19 of Board's Proceedings, dated 11th August 1883, No. 2340, six have been transferred to the Local Fund Boards concerned, or to trustees. The transactions in the budget relate to the institutions mentioned below :—

| | |
|---|---|
| Anantapur ... ... | Munro chattram.<br>Munro dispensary. |
| Kurnool ... ... | Munro tope. |
| Nílgiris... ... | Brahmin chattram. |
| Tinnevelly ... ... | Kovilpatti do. |

11. The allotment of Rs. 170 for the Brahmin chattram at Ootacamund, against Rs. 120 in the current year, includes a provision of Rs. 50 for its repair. In his letter, dated 22nd October 1883, No. 691, the Collector of Tinnevelly states that the

Kovilpatti chattram is the only one in the district remaining under Government management, and that it will be made over to the trustee at the end of 1884 (*vide* Board's Proceedings, dated 13th September 1879, No. 2606).

12. *Irrigation Cess Fund.*—The estimated receipts of this fund, together with the opening balance, amount to Rs. 77,750, and the charges to Rs. 50,970, leaving a balance of Rs. 26,780 at the end of the year. The expenditure is made up of the following items:—

| | Rs. |
|---|---|
| Irrigation establishment ... ... ... ... | 27,700 |
| Repair and improvement of channels ... ... ... | 22,000 |
| Proportionate cost of Collector's office establishment ... ... | 120 |
| Miscellaneous charges ... ... ... ... | 1,150 |
| Total ... | 50,970 |

13. In the Coimbatore budget statement, an allotment of Rs. 14,000 is entered for the repair of irrigation channels, against Rs. 1,000 in the budget for the current year. The former amount appears to include provision for the construction of masonry sluices. As Government have decided, in G.O., Revenue Department, dated 13th September 1883, No. 1126, that this is not a proper charge on the Irrigation Cess Fund, the Collector is requested to submit other proposals in lieu of it.

14. The Board regret that, owing to the district budgets not having been received in time, there has been delay in the submission of this budget. The date of its submission to Government having been altered from 5th January to 15th October, Collectors were requested to submit their budgets to the Board by 1st September. But the last budget * was received only on 22nd October. The Board hope that there will be no delay in future.

*Tinnevelly.

Order—dated 11th January 1884, No. 52, Revenue.

Miscellaneous.

With the foregoing proceedings the Board of Revenue submit the budget estimate of receipts and charges of the Special Local Funds under their control for 1884-85.

2. The receipts under all heads, including the opening balances, are estimated to aggregate Rs. 53,04,350 and the charges Rs. 36,59,030, leaving a balance of Rs. 16,45,320 as particularised below:—

| —— | Opening Balance. | Receipts. | Total. | Charges. | Closing Balance. |
|---|---|---|---|---|---|
| | Rs. | Rs. | Rs. | Rs. | Rs. |
| 1. Canal and Ferry Fund .. .. .. .. | 1,31,450 | 1,53,570 | 2,85,020 | 2,31,540 | 53,480 |
| 2. Cattle Pound Fund .. .. .. .. | 12,930 | 2,13,360 | 2,26,290 | 2,13,950 | 12,340 |
| 3. Village Service Fund .. .. .. .. | 15,07,920 | 31,88,800 | 46,96,720 | 31,48,200 | 15,48,520 |
| 4. Endowment Fund .. .. .. .. .. | 4,700 | 13,870 | 18,570 | 14,370 | 4,200 |
| 5. Irrigation Cess Fund .. .. .. .. | 41,570 | 36,180 | 77,750 | 50,970 | 26,780 |
| Total .. | 16,98,570 | 36,05,780 | 53,04,350 | 36,59,030 | 16,45,320 |

3. Canal and Ferry Fund.—The budget estimate of this fund was separately disposed of by G.O., 17th November 1883, No. 1421. The opening balance for 1884-85 is now shown as Rs. 1,31,450 against Rs. 1,25,440 previously adopted by the Board and accepted by Government. This discrepancy which occurs in the figures against the Godávari district should have been explained.

4. Cattle Pound Fund.—The assets and charges of this fund for 1884-85 are estimated to amount respectively to Rs. 2,26,290 and Rs. 2,13,950, against Rs. 2,17,020 and Rs. 2,06,680 for the current year. The charges consist of—

| | 1883-84. | 1884-85. |
|---|---|---|
| | Rs. | Rs. |
| Construction and repair of pounds as well as pound establishments ... ... ... ... ... | 1,45,443 | 1,60,750 |
| Contribution to Agricultural services ... ... ... | 30,618 | 26,600 |
| Do. to Municipalities ... ... ... ... | 1,714 | 1,915 |
| Do. to Local Funds ... ... ... ... | 28,905 | 24,685 |
| Total ... | 2,06,680 | 2,13,950 |

The smaller contribution to agricultural services in 1884-85, as compared with that of the current year, is due to the larger provision made for the improvement of pounds. This is as it should be, and is approved. The increased provision for the Pound Fund gumastas in Tanjore will be retained pending receipt of the further explanation called for from the Collector.

5. Village Service Fund.—The estimated receipts and charges of this fund for 1884-85 are pretty equally balanced, the former amounting to Rs. 31,88,800 and the latter to Rs. 31,48,200, leaving a balance of Rs. 40,600. This, with the large accumulated balance to the credit of the fund at the beginning of the year, will aggregate Rs. 15,48,520 at its close. The balances are large in Chingleput, Godávari, Tinnevelly and Trichinopoly, and the Board's proposals for utilising them should be expedited.

*Vide* Board's Proceedings, 26th November 1883, No. 3579, paragraph 6.

6. The transactions under the remaining two funds are limited in their nature and are likely to disappear from the category of Special Local Funds at no very

distant date. The estimates under these heads, as well as those already noticed, are approved and sanctioned.
