READ—the following paper :—

G.O., dated 26th September 1884, No. 4766, Military.

Read—the following letter from Brigadier-General GODFREY CLERK, Adjutant-General, to the Officiating Secretary to Government, Military Department, dated Ootacamund, 12th September 1884, No. 735-O :—

I am desired to intimate, for the information of Government, that the Officer Commanding the "Queen's Own" Sappers and Miners has reported that Lieutenant W. Ellis, Royal Engineers, has joined at Rangoon for submarine defence duty, of which he assumed charge on the 14th July 1884.

2. In accordance with proceedings of Madras Government, No. 3129, dated the 2nd June 1883, the Officer Commanding the Sappers and Miners will be informed that Lieutenant Ellis will be borne on the strength of the Madras Sappers and Miners, and be in command of the Sappers and Miners employed on submarine mining duty, and in the exercise of that command he will, in all matters of interior economy and discipline, be under the Officer Commanding the Madras Sappers and Miners.

3. It would appear necessary that, under paragraph 3, order of the Government of India recorded in proceedings of Government, No. 3129 of 1883, Lieutenant Ellis should be graded in the Public Works Department as an Assistant Engineer, second grade.

Order—dated 26th September 1884, No. 4766, Military.

Recorded ; paragraph 3 being furnished to the Public Works Department for the necessary action, with reference to proceedings of Government (Military), No. 3129, dated 2nd June, and No. 5344, dated 3rd October 1883.

(True Extract.)

(Signed) A. R. KENNEY-HERBERT, Lieut.-Col.,
Offg. Secretary to Government.

ORDER—dated 14th October 1884, No. 2522 W., Public Works.

It is observed that Rangoon, the station to which Lieutenant W. Ellis, R.E., has been posted, is beyond the territorial limits of the Public Works Department of the Madras Presidency. It seems doubtful, therefore, whether Lieutenant Ellis should be graded on the Madras list. The question will be referred for the orders of the Government of India.

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

In paragraph 3 of proceedings of the Government of India, Military Department, No. 457 M.W., dated 18th May 1883, it is ruled that officers of Royal Engineers employed on submarine mining shall, while borne on the rolls of the Sappers and Miners, be posted as Assistant Engineers, second grade, to the Public Works Department of the Presidency in which they may be serving.

2. It will be observed, from the accompanying copy of proceedings in the Military Department of this Government, that Lieutenant W. Ellis, R.E., has now joined at Rangoon for submarine defence duty. His Excellency the Governor in Council is in doubt whether it is the intention of the Government of India that Lieutenant Ellis should be graded on the Public Works Department list of the Madras Presidency, seeing that Rangoon is beyond the territorial limits of this department. I am accordingly to request definite orders on the point.

I have the honor to be,
