Her Majesty's Secretary of State has recently drawn the attention of the Government of India to the frequent use in a correspondence relating to an officer whose services were lent to a Native State of erroneous expressions implying that contributions towards pension and leave allowances are paid by a Native State or a body financially independent of the Government of India and not by the officer whose services are transferred to such a State or body. Under the rules contained in Chapter III of the Civil Pension Code, the officer himself is bound to pay the contribution, and the Governor-General in Council directs that this fact be borne in mind in all references to the contributions referred to.
