Madras.

SIR,

Enclosures.

With reference to G. O. No. 2324 W dated 22nd September 1884, I have the honour to explain, that the delay in the submission of the Estimate for the Salug Cutcherry at Nandyal, occurred in the Executive Engineer's Office.

2. Captain Jackson, the Executive Engineer, states that, at the time the Estimate was called for, very high rates were being paid for similar description of works by the State Railway; and consequently he thought it

it advisable in the interests of
Government, to defer the submission
of the Estimate, rather than enter
the rates then obtaining.

3. The explanation is not altogether
satisfactory.

I have the honor to be

Sir

Your most obedient servant.
