GOVERNMENT OF MADRAS.
POLITICAL DEPARTMENT.

READ—the following paper :—

Minute by the Right Honorable the GOVERNOR, dated 16th January 1884.

I think it is extremely desirable that I should follow His Excellency the Viceroy to Hyderabad, and that I should be accompanied by some of the officials in the service of this Government. Diplomatic relations with the Hyderabad State are carried on through the Government of India; but the Madras Army holds Secunderabad, and questions relating to that cantonment are frequently before us.

2. In case of disturbances arising, at any time in the territories of the Nizam, our north central districts would probably be the first to feel the effects of them, if the elements of disorder became sufficiently powerful to be aggressive.

3. I am not at all satisfied with the blank space which prevails here about affairs that touch us so nearly as do those of the powerful of Native States, from which we are separated for many hundred miles by boundaries so easily passed. Nor should I think that I had done my duty to the Pidency, if I neglected so good an opportunity, the only one likely to arise in my period of office, of acquiring for myself and giving to several of our most able public servants some knowledge of a country with whose political future our own is so closely mixed up.
