The two clerks for the office are very necessary as the Tank works are now taken over and are in progress, and I would much rather have two clerks of the grade I have asked for than one clerk of a higher grade as I can get more work turned out by two men than one.

7. Of the Estimates noted in the list Submitted with my letter no. 284 SE dated 29-8-84. Some are ready and will be Submitted shortly and are being prepared.

8. With reference to your Memo No 331-U.D. of 25-9-84, I have to state that the lump sum allotment of Rs 46,474 may be divided thus
