Letter from the S.E. VI Circle — ("No. 1044 Jf of Oct^r 9th 1884")

On review of the
petitioner's case as presented
in the papers laid before
Government, and taking
into account his previous
service, H.E. the Governor
in Council sees no objection
to the petitioner's re-employ-
ment in a permanent
capacity, in his former
grade.

service into consideration, it was not possible to re-employ him in any capacity. They replied that they had no objection to employ him as a temporary maulvi, the Executive Engineer added that he could not advise his re-employment to the position of Superintendent. On the receipt of this I was in charge of the Circle, and I sent Krishnasamy Iyer an endorsement that I declined to reopen the case which had been decided after careful enquiry. The man has been in temporary employ for some time in the Canara & Vernam Regulator Division, but has, I am informed, left them, I am not aware of the reason.

3. Under the circumstances I do not consider it is necessary for me to comment on the case or to forward for perusal the papers. I therefore return the petition.

No 2647 May 28th Oct 7/84.

Notification.

With reference to para 4 of the Resolution of the Government of India in the Public Works Department, dated 14th. February 1883, which was published in the Fort Saint George Gazette of the 27th. idem, it is now notified that on the 1st. April 1885, an appointment of Assistant Engineer, 3rd. Grade, in the Madras P.W.D. will be awarded to that Student of the Madras Civil Engineering College, of pure Asiatic origin, who, in the examination to be held at the College in December 1884, obtains a certificate of qualification as Assistant Engineer and stands highest on the list of qualified candidates.

In the case of a native student not passing the test, the appointment will be available for the senior European or Eurasian competitor at the same Examination.

The candidate so appointed will, under para 81 of the P.W. Code, be on probation for one year, and this probationary term

To D.W.

I think it would be well to add a saving clause, as proposed. There could then be no room for mistake

To W for approval.
