READ—the following paper:—

From Brigadier-General A. C. JOHNSON, C.B., Commanding Eastern District,
to the Quartermaster-General, Madras Army, Ootacamund, dated Fort St.
George, 15th October 1884, No. 359 G.

I have the honor to request that sanction may be accorded for dismantling the latrine attached to the canteen at Poonamallee and for converting an unused godown into a latrine in its stead.

The Commandant, Poonamallee, reports that the new married quarters almost touch the canteen latrine and makes it impossible for the latrine to be used.

The godown in question is no longer used as such, as the canteen sergeant's quarters are used under proper authority as Quartermaster's stores.

2. The Executive Engineer reports that an estimate of Rs. 31 was sanctioned for dismantling the latrine and converting the godown on the south side into a latrine. The estimate has been worked out and the completion certificate sent for the signature of the Commandant, Poonamallee.

3. The case is reported to have been one of emergency.

No. 1760 A.

Forwarded to Government with a request that sanction may be accorded to the building in question being dismantled as recommended by the General Officer Commanding Eastern District.
