Sir,

Payment of cost of constructing Elephant shed, at Cannanore.

In reply to your No 1690 d/18th Jy/84, subject as per margin, I have the honor by order to inform you that the Brigadier Genl Commanding having submitted the whole matter for decision to Army Head Quarters has been informed by the Quarter Master Genl that should any balance remain of the Rs 1500 after expenditure on works costing Rs 500 and under such balance should be surrendered for expenditure on works costing more than 500 Rs.

b

2.

2. The Brigadier-General is unable at this early period of the year to say whether there will be any unexpended balance under this head and could not certainly agree to the surrender of a sum nearly approaching $\frac{2}{3}$rds of the whole.

3. He is also of opinion that this service being the result of an accident and the reconstruction of a shed to shelter the Elephants imperative, application to Government for a special allotment might fairly be made.
