Memo

Letter from the S. E. II Circle No 136 K.S. d 28.4.87

Forwarded, with Enclosures, to the Rev. Dept. with reference to its memo No 63 dated 4' March 1887, and to G.O. P.W. Dept dated 13' May 1886, No 1215 W.

2. It seems clear that nothing short of the measures now proposed will render the building secure, ~~& that~~ if those measures be carried out, the necessity for constructing a new residence for the Collector will be obviated.

3. With advertence to the question of reducing the rent of the building, vide the Collector's letter printed with Pros. of the Board of Rev. No 728 of 25th March 1886, & para 2 of G.O. of 21 April 1886 No 294, it is observed that if the large outlay now proposed be incurred, the rent fixed in G.O. No 2662 W of 29 Octr 1884 will be by no means excessive – the figure moreover corresponds with the rate of rent for a Collector mentioned in G.O. of 20 Novr 1884, No 2501. Reference is also solicited to G.O. of 27 January 1885, No 215 W. The

4. The Collector's letter forwarded with Rev. Dept. endorsement No 2421 of 7 April 1887 is returned herewith.

The Collectors house at Bunder.—

After inspecting the Collector's house, I am in a position to report, that this house can be very fairly restored, but only at a further approximate outlay of Rs 9000/-. The Executive Engineer has been requested to submit the revised estimate, without much delay, but has been permitted to push on the work of restoration, which is one of emergency, owing to the dilapidated state of the woodwork in the roofing of the two wings of the building. It is proposed to make free use of Portland Cement, for all the walls exposed to the sea-air and to lay down an admixture of tar and pitch and sand on the floorings to keep out the white ant, as far as practicable.

Gudivada Inspected the Divisional O

and have reported favourably on its present state. The Executive Engineer Mr. W. C. de Morgan appears to have given considerable personal attention to the administering of the office, and is fortunate in having a good accountant to assist him.
