NOTE OF REMARKS.

1. The accompanying plan
and estimate provide
for remodelling the light-
ning conductors of the
R. S. Expense Magazine
at St. Thomas Mount. The
estimate amounts to
Rs. 1210.
2. The rulings laid down on
the subject of lightning con-
ductors have been well re-
garded in this instance
with the exception of
a slight excess in the
lengths of the two upper
terminals - a length
of 15 feet has been allowed
in each case, while
12 feet would be ample.
- an examination of the
plan shows this. However
S.E.V. has accepted the

T. I agree with you that the
terminals might be reduced somewhat
in height. However, estimate may
stand as it stands.
