From T. D. HARRIS, Esq., Executive Engineer, Vizagapatam Division, to the Superintending Engineer, I Circle, Dowlaishweram, dated Potingy Ghât, 29th March 1884, No. 2461.

With reference to your No. V.Z.-354, dated 12th November 1883, I have the honor to resubmit, for sanction, the enclosed revised plans and estimates for providing additional accommodation to the huzur treasury at Vizagapatam. The instructions contained in the above quoted have been carefully attended to. The iron strong-rooms have been dispensed with, and, as instructed, terraced rooms have been designed for the treasury. The dimensions of the rooms are just what have been wanted by the Treasury Deputy Collector; the figures he gives in his letter are yards, feet and inches. The doors and gratings are all of iron and closely barred.

2. The plans have not been countersigned by the Collector, but they are sent on with reference to G.O., No. 483 W., dated the 21st February 1884.
