READ—the following letter from W. S. FOSTER, Esq., Government Agent, Godáviri District, to the Chief Secretary to Government, dated Cocanada, 1st October 1884, No. 25 :—

I have the honor to state that several breaches have been caused in the road from Bhadrachalam to Dummagudem by the late heavy floods in the Godáviri. The Executive Engineer, Godáviri Eastern division, has sent in the enclosed estimate of Rs. 2,150 for repairing the damages. At two large breaches, the earth to fill them with will have to be brought from about 30 to 40 yards, and the lift is considerable, being about five yards. An enhanced rate is therefore allowed to cover the cost. I request that Government will be pleased to sanction the estimate from Provincial funds. As the work is of an emergent nature owing to the necessity to restore communication and traffic, I have asked the Executive Engineer to commence the work in anticipation of sanction.

T. It would certainly be desirable
to metal, or at least gravel, the surface
after filling in the cracks. Presently it
is intended to do this out of the main
allowance, after the new earth has
settled sufficiently.

Sanction.

By the way, cannot the P.E. himself
sanction such repairs? It has to be
set aside for such purposes?

NOTE OF REMARKS.

1. The accompanying is
an estimate for repairing
the road from Bhadrachalam
to Dummagudem
in the Godavari Eastern
Division. It amounts to
Rs. 2,150.

2. The work is the repair
of damages effected to
the above named road
by the late heavy floods
in the Godavari.

3. The estimate provides
for earthwork only —
but at two different
rates. The higher rate
is due to the greater
difficulty experienced
in obtaining earth to
fill in two large breaches.
4. No report has been
submitted so it is

hard today how it
appears no metal is
required for the surface
after the breaches have
been closed.

The Government Agent
Godavari District, states
that he has directed
the work to be commenced
as it is of an emergency
nature, in anticipation of sanction.

GODAVARI DISTRICT,

GOVERNMENT AGENT'S OFFICE,

COCANADA, 1st October 1884.

From

W. S. Foster Esquire,

Government Agent,

Godavari District.

To

The Honorable E. J. Webster,

Chief Secretary to Government,

Fort Saint George.

Sir,

I have the honor to state that
several breaches have been caused
in the road from Bhadrachalam
to Dummagudem by the late heavy
floods in the Godavari. The Executive
Engineer Godavari, Eastern Division
has sent in the enclosed Estimate
of Rs 2,150 for repairing the damages.
At two large breaches, the earth
to fill them with will have to be
brought from about 30 to 40 yards
and the lift is considerable being
about 5 yards. An enhanced
rate

is therefore allowed to cover the cost.

I request that Government will
be pleased to sanction the
estimate from Provincial funds.
As the work is of an urgent
nature owing to the necessity to
restore communication and traffic.

I have asked the Executive
Engineer to commence the work
in anticipation of sanction.

I have the honor to be
Sir

Your most obedient servant

W. S. Foster
Government agent.
