READ—the following letter from Brigadier-General R. C. STEWART, Quarter-master-General, to the Secretary to Government, Military Department, dated Ootacamund, 23rd October 1884, No. 1775-A:—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, plan, &c., below mentioned, which have been approved by the Commander-in-Chief. The plan and estimate have been counter-signed:—

- I. Detailed and abstract estimate, amounting to Rs. 850, for additions to be made to the canteen attached to the double-storied Royal Artillery barracks at St. Thomas' Mount.
- II. Report with specification and plan.
2. The necessity for the proposed additions has arisen from the space allowed for the Superintendent of Issues being too limited.
3. The canteen is on the old plan of 1867,* having been built before the adoption of the revised standard plan No. 21-A, which affords about thirty superficial feet more than the old plan for the beer store and issue room, and allows more verandah space.
