Establishment.

READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 25th March 1883, No. 3131 G.D.:—

With reference to my remarks as per margin in the report of inspection of the Western Division Office, Godáviri, dated 9th November 1882, opposite to Query No. 60, and Chief Engineer's orders thereon, No. 15 C., dated 5th January 1883, I have the honor to forward, herewith, copy of a letter, No. 547, dated 24th February 1883, from the Divisional Officer, applying for an extra Draftsman on a salary of Rs. 15 per mensem for six months, and to request sanction for the same. If sanctioned, a sum of Rs. 90 will be required under Temporary Establishment in 1883-84.

ENCLOSURE.

From J. E. PAUL, Esq., Executive Engineer, in charge Western Division, Godáviri District, to the Superintending Engineer, First Circle, dated 24th February 1883, No. 547.

I have the honor to bring to your notice that I find many of the village plans on which the land taken over by us was originally marked are in several cases torn to such a degree that it will be necessary to lay off the land so marked on to new maps; besides this, it will be necessary to color on the maps the land in our occupation previous to 1873, *vide* your No. C/4 of 9th November 1882.

2. My present two Draftsmen are quite unable to do their present work, as it is much increased now the project work has commenced. I therefore request you will sanction an extra Draftsman on Rs. 15 for six months.

3. The above work should be done by the Head Draftsman, and the extra hand will be employed principally on tracing working plans and sundry works.

ORDER—dated 3rd April 1883, No. 1021 W., Public Works.

Sanctioned for a period of six months. An appropriation of funds will be made hereafter.

2. This sanction has been registered as Provincial No. 2 W. of 1883-84 and classified as "Establishment, Temporary."
