PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the Superintending Engineer 5th
Circle to the Chief Engineer, P. W. Dep^t, dated
4th October 1884, No. 2578.

I have the honor to request that sanction
may be given to the entertainment of Mr.
George Smith as Clerk, and Private Sanga-
lingam of the Queens Own Sappers and
Miners, as Draughtsman, under the
Executive Engineer on Special duty at
Bangalore.

2. The Clerk has passed the Matriculation
Examination, but not the Hand writing
Test.

The Draughtsman has not obtained
a Certificate of qualification as Draughts-
man. Captain Romilly however repre-
sents, that he could not, without consid-
erable delay, have procured a properly
qualified

qualified establishment considering the
temporary nature of the work and there
would have been difficulty in obtaining
men strictly according to the Rules.
